Item 1.01. Entry Into a Material Definitive Agreement.

On September 18, 2024, CION Investment Corporation (“CION”) entered into an Amended and Restated Note Purchase Agreement with certain institutional investors (the “AR Note Purchase Agreement”), in connection with CION’s issuance of \$100 million aggregate principal amount of its floating rate senior unsecured notes, tranche B, due 2027 (the “Tranche B Notes”) at a purchase price equal to par. The Tranche B Notes represent an add-on, second tranche of the 2027 Notes that were issued by CION in November 2023. The net proceeds to CION were approximately \$96.2 million, after the deduction of a commitment fee of \$2.875 million, placement agent fees and other financing expenses, which CION intends to use to primarily repay debt under its senior secured financing arrangements, make investments in portfolio companies in accordance with its investment objectives, and for working capital and general corporate purposes. The Tranche B Notes are rated investment grade.

The Tranche B Notes mature on November 8, 2027. The Tranche B Notes bear interest at a floating rate equal to the three-month Secured Overnight Financing Rate (“SOFR”) plus a credit spread of 3.90% per year and subject to a 2.00% SOFR floor, which will be paid quarterly on February 15, May 15, August 15, and November 15 of each year, commencing on November 15, 2024. CION has the right to, at its option, redeem all or a part that is not less than 10% of the Tranche B Notes (i) on or before August 8, 2027, at a redemption price equal to 100% of the principal amount of Tranche B Notes to be redeemed plus an applicable “make-whole” amount equal to (x) the discounted value of the remaining scheduled payments with respect to the principal of such Tranche B Note that is to be prepaid or becomes due and payable pursuant to the AR Note Purchase Agreement over (y) the amount of such called principal, plus accrued and unpaid interest, if any, and (ii) after August 8, 2027, at a redemption price equal to 100% of the principal amount of the Tranche B Notes to be redeemed, plus accrued and unpaid interest, if any. For any redemptions occurring on or before August 8, 2027, the discounted value portion of the “make whole amount” is calculated by applying a discount rate on the same periodic basis as that on which interest on the Tranche B Notes is payable equal to the sum of 0.50% plus the yield to maturity of the most recently issued U.S. Treasury securities having a maturity equal to the remaining average life of the Tranche B Notes, or if there are no such U.S. Treasury securities, using such implied yield to maturity determined in accordance with the terms of the AR Note Purchase Agreement.

The Tranche B Notes are general unsecured obligations of CION that rank *pari passu* with all existing and future unsecured unsubordinated indebtedness issued by CION, rank effectively junior to any of CION’s secured indebtedness (including unsecured indebtedness that CION later secures) to the extent of the value of the assets securing such indebtedness, and rank structurally junior to all existing and future indebtedness (including trade payables) incurred by certain of CION’s subsidiaries, financing vehicles or similar facilities.

The AR Note Purchase Agreement contains other terms and conditions, including, without limitation, affirmative and negative covenants such as (i) information reporting, (ii) maintenance of CION’s status as a business development company within the meaning of the Investment Company Act of 1940, as amended, (iii) minimum shareholders’ equity of \$543.6 million, (iv) a minimum asset coverage ratio of not less than 150%, (v) a minimum interest coverage ratio of 1.25 to 1.00 and (vi) an unencumbered asset coverage ratio of 1.25 to 1.00, provided that (a) first lien senior secured loans and cash represent more than 65% of the total value of unencumbered assets used by CION for purposes of the ratio and (b) equity interests or structured products in the aggregate represent less than 15% of the total value of unencumbered assets used by CION for purposes of the ratio. The AR Note Purchase Agreement also contains a “most favored lender” provision in favor of the purchasers in respect of any new credit facilities, loans, notes or unsecured indebtedness in excess of \$25 million incurred by CION, which indebtedness contains a financial covenant not contained in, or more restrictive against CION than those contained, in the AR Note Purchase Agreement. In addition, the AR Note Purchase Agreement contains customary events of default with customary cure and notice periods, including, without limitation, nonpayment, incorrect representation in any material respect, breach of covenant, cross-default under other indebtedness or derivative securities of CION in an outstanding aggregate principal amount of at least \$25 million, certain judgments and orders, and certain events of bankruptcy.

The offering was conducted, and the Tranche B Notes were issued, as a private placement under Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”), and the rules and regulations promulgated thereunder. As a result, the Tranche B Notes have not been and will not be registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from such registration requirements.

The foregoing description of the AR Note Purchase Agreement as set forth in this Item 1.01 is a summary only and is qualified in all respects by the provisions of such agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated by reference herein. A copy of a press release announcing the foregoing is also attached hereto as Exhibit 99.1 and is incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

TO EACH OF THE PURCHASERS LISTED IN THE PURCHASER SCHEDULE HERETO:

Ladies and Gentlemen:

CION INVESTMENT CORPORATION, a Maryland corporation (the “**Company**”), agrees with each of the Purchasers as follows:

SECTION 1. AUTHORIZATION OF NOTES; INTEREST RATE.

Section 1.1. Authorization of Notes. On or prior to November 8, 2023, the Company authorized the issue and sale of \$100,000,000 aggregate principal amount of its Senior Unsecured Notes due 2027 (the “**Tranche A Notes**”). In addition, the Company will authorize the issue and sale of \$100,000,000 aggregate principal amount of its Senior Unsecured Notes, Tranche B, due 2027 (the “**Tranche B Notes**”; collectively, with the Tranche A Notes, the “**Notes**”). The Tranche A Notes and Tranche B Notes shall be substantially in the form set out in Schedule 1-A and Schedule 1-B, respectively. Certain capitalized and other terms used in this Agreement are defined in Schedule A and, for purposes of this Agreement, the rules of construction set forth in Section 22.4 shall govern.

Section 1.2. Changes in Interest Rate.

(a) If at any time a Below Investment Grade Event occurs, then:

(i) as of the date of the occurrence of the Below Investment Grade Event to and until the date on which such Below Investment Grade Event is no longer continuing (as evidenced by the receipt and delivery to the holders of the Notes of any Rating necessary to cure such Below Investment Grade Event), the Notes shall bear interest at the Adjusted Interest Rate; and

(ii) the Company shall promptly, and in any event within twenty (20) Business Days after a Below Investment Grade Event has occurred, notify the holders of the Notes in writing, sent in the manner provided in Section 18, that a Below Investment Grade Event has occurred, which written notice shall be accompanied by evidence satisfactory to the Required Holders to such effect and confirming the effective date of the Below Investment Grade Event and that the Adjusted Interest Rate will be payable in respect of the Notes in consequence thereof.

(b) The fees and expenses of any NRSRO and all other costs incurred in connection with obtaining, affirming or appealing a Rating pursuant to this Section 1.2 shall be borne solely by the Company.

(c) As used herein, “**Adjusted Interest Rate**” means the interest rate per annum which is 1.00% above the interest rate of the Notes determined pursuant to Section 8.9.

(d) As used herein, a “**Below Investment Grade Event**” shall occur if

(i) at any time the Company has obtained a Rating of the Notes from only one NRSRO, the then most recent Rating from such NRSRO that is in full force and effect (not having been withdrawn) is less than Investment Grade; or

(ii) at any time the Company has obtained a Rating of the Notes from two NRSROs, the then lower of the most recent Ratings from the NRSROs that are in full force and effect (not having been withdrawn) is less than Investment Grade; or

(iii) at any time the Company has obtained a Rating of the Notes from three or more NRSROs, the then second lowest of the most recent Ratings from the NRSROs that is in full force and effect (not having been withdrawn) is less than Investment Grade (*provided*, for the avoidance of doubt, if two or more of the most recent Ratings are equal or equivalent as the lowest such Rating, then one of such equal or equivalent Ratings will be deemed to be the second lowest Rating for purposes of such determination); or

(iv) at any time the Company shall have failed to receive and deliver to the holders of the Notes a Rating of the Notes from at least one NRSRO as required pursuant to Section 9.10.

(e) Following the occurrence and during the continuance of an Event of Default, the Notes shall bear interest at the Default Rate.

SECTION 2. SALE AND PURCHASE OF NOTES.

Subject to the terms and conditions of this Agreement, the Company will issue and sell to each Purchaser and each Purchaser will purchase from the Company, at each Closing provided for in Section 3, Notes in the principal amount specified opposite such Purchaser’s name in the Purchaser Schedule at the purchase price of 99.25% of the principal amount thereof, in the case of the Tranche A Notes, and 100.00% of the principal amount thereof, in the case of the Tranche B Notes. The Purchasers’ obligations hereunder are several and not joint obligations and no Purchaser shall have any liability to any Person for the performance or non-performance of any obligation by any other Purchaser hereunder.

SECTION 3. CLOSING.

The sale and purchase of the Tranche A Notes purchased by each Purchaser occurred remotely, at 10:00 A.M. Eastern Time on November 8, 2023 (the “**Tranche A Closing**”) and the sale and purchase of the Tranche B Notes to be purchased by each Purchaser shall occur remotely, at 10:00 a.m. Eastern Time on September 18, 2024 (the “**Tranche B Closing**”; collectively, with the Tranche A Closing, the “**Closings**” and each, a “**Closing**”) At each Closing the Company will deliver to each Purchaser the Notes to be purchased by such Purchaser in the form of a single Note dated the date of such Closing and registered in such Purchaser’s name (or in the name of its nominee), against delivery by such Purchaser to the Company or its order the amount of the purchase price therefor by wire transfer of immediately available funds for the account of the Company. If at a Closing the Company shall fail to tender such Notes to any Purchaser as provided above in this Section 3, or any of the conditions specified in Section 4 shall not have been fulfilled to a Purchaser’s satisfaction, such Purchaser shall, at its election, be relieved of all further obligations under this Agreement, without thereby waiving any rights such Purchaser may have by reason of such failure by the Company to tender such Notes or any of the conditions specified in Section 4 not having been fulfilled to such Purchaser’s satisfaction.

SECTION 4. CONDITIONS TO CLOSING.

Each Purchaser's obligation to purchase and pay for the Notes to be sold to such Purchaser at a Closing is subject to the fulfillment to such Purchaser's satisfaction, prior to or at such Closing, of the following conditions:

Section 4.1. Representations and Warranties. The representations and warranties of the Company in Section 5 shall be correct when made and at the Closing.

Section 4.2. Performance; No Default. The Company shall have performed and complied with all agreements and conditions contained in this Agreement required to be performed or complied with by it prior to or at the Closing. Before and after giving effect to the issue and sale of the Notes (and the application of the proceeds thereof as contemplated by Section 5.14), no Default or Event of Default shall have occurred and be continuing.

Section 4.3. Compliance Certificates.

(a) *Officer's Certificate.* The Company shall have delivered to such Purchaser an Officer's Certificate, dated the date of the Closing, certifying that the conditions specified in Sections 4.1, 4.2 and 4.9 have been fulfilled.

(b) *Secretary's Certificate.* The Company shall have delivered to such Purchaser a certificate of its Secretary or Assistant Secretary, dated the date of the Closing, certifying as to (i) the resolutions attached thereto and other corporate proceedings relating to the authorization, execution and delivery of the Notes and this Agreement, (ii) the Company's organizational documents as then in effect, (iii) a certificate from the State Department of Assessment and Taxation of Maryland evidencing the good standing of the Company in the State of Maryland as of a date within 2 Business Days of the Closing and (iv) each document provided to the Purchaser in such certificate is correct, complete and in full force and effect as at the date of the Closing.

Section 4.4. Opinions of Counsel. Such Purchaser shall have received opinions, dated the date of the Closing (a) from White & Case LLP, counsel for the Company, in form and substance reasonably satisfactory to such Purchaser (and the Company hereby instructs its counsel to deliver such opinion to the Purchasers), and (b) from Miles & Stockbridge, Maryland counsel for the Company, in form and substance reasonably satisfactory to such Purchaser (and the Company hereby instructs its counsel to deliver such opinion to the Purchasers).

Section 4.5. Purchase Permitted By Applicable Law, Etc. On the date of the Closing, such Purchaser's purchase of Notes shall (a) be permitted by the laws and regulations of each jurisdiction to which such Purchaser is subject, without recourse to provisions (such as section 1405(a)(8) of the New York Insurance Law) permitting limited investments by insurance companies without restriction as to the character of the particular investment, (b) not violate any applicable law or regulation (including Regulation T, U or X of the Board of Governors of the Federal Reserve System) and (c) not subject such Purchaser to any Tax, penalty or liability under or pursuant to any applicable law or regulation, which law or regulation was not in effect on the date hereof. If requested by such Purchaser, such Purchaser shall have received an Officer's Certificate certifying as to such matters of fact as such Purchaser may reasonably request to enable such Purchaser to independently determine with such Purchaser's advisors whether such purchase is so permitted. The Company shall have no liability with respect to any such independent determination made by each Purchaser as long as the Company and its officers have not made any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading, in connection with each Purchaser's determination.

Section 4.6. Sale of Other Notes. Contemporaneously with the Closing the Company shall sell to each other Purchaser and each other Purchaser shall purchase the Notes to be purchased by it at the Closing as specified in the Purchaser Schedule.

Section 4.7. Payment of Fees. Without limiting Section 15.1, the Company shall have paid on or before the Closing all expenses to be paid by the Company pursuant to Section 15.1, including the reasonable fees, charges and disbursements of the Purchasers' special counsel to the extent reflected in a statement of such counsel rendered to the Company at least one (1) Business Day prior to the Closing.

Section 4.8. Private Placement Number. A Private Placement Number issued by Standard & Poor's CUSIP Service Bureau (in cooperation with the SVO) shall have been obtained for each of the Tranche A Notes and the Tranche B Notes.

Section 4.9. Changes in Corporate Structure. The Company shall not have changed its jurisdiction of incorporation or been a party to any merger or consolidation or succeeded to all or any substantial part of the liabilities of any other entity, at any time following the date of the most recent financial statements referred to in Schedule 5.5.

Section 4.10. Funding Instructions. At least two (2) Business Days prior to the date of the Closing, the Company shall have provided the Sub-Agent, which shall have promptly provided to each Purchaser, written funding instructions signed by a Responsible Officer on letterhead of the Company including (a) the name and address of the transferee bank, (b) such transferee bank's ABA number and (c) the account name and number into which the purchase price for the Notes is to be deposited.

Section 4.11. Rating. Each of the Tranche A Notes and the Tranche B Notes shall be rated "BBB-" (or its equivalent) or better by DBRS or another NRSRO, which rating shall specifically describe such tranche of Notes, including their interest rate, maturity and Private Placement Number.

Section 4.12. Consent of Holders of Other Indebtedness. On or prior to the date of the Closing, any consents or approvals required to be obtained from any holder or holders of any outstanding Indebtedness of the Company or its Subsidiaries and any amendments of agreements pursuant to which any Indebtedness may have been issued which shall be necessary to permit the consummation of the transactions contemplated hereby shall have been obtained (and shall be in full force and effect on the date of the Closing) and shall be satisfactory to such Purchaser and its special counsel, which satisfaction shall not be unreasonably withheld.

Section 4.13. Proceedings and Documents. All corporate and other proceedings in connection with the transactions contemplated by this Agreement and all documents and instruments incident to such transactions shall be satisfactory to such Purchaser and its special counsel (acting reasonably), and such Purchaser and its special counsel shall have received all such counterpart originals or certified or other copies of such documents as such Purchaser or such special counsel may reasonably request.

Section 4.14. Unencumbered Asset Coverage Ratio. The Purchasers shall have received an Unencumbered Asset Coverage Ratio Report as of June 30, 2024, which Unencumbered Asset Coverage Ratio Report shall additionally set forth such Unencumbered Asset Coverage Ratio of the Company on a *pro forma* basis after giving effect to the transactions contemplated hereby and shall separately set forth the classification of each Investment of the Company.

SECTION 5. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company represents and warrants to each Purchaser that:

Section 5.1. Organization; Power and Authority. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Maryland, and is duly qualified as a foreign corporation and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement and the Notes and to perform the provisions hereof and thereof.

Section 5.2. Authorization, Etc. This Agreement and the Notes have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes a legal, valid and binding obligation of the Company enforceable against the Company, in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium, or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law). Each Tranche A Note issued prior to the date of this Agreement constitutes, and upon execution and delivery thereof each Tranche B Note will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 5.3. Disclosure.

(a) The Company's most recent Form 10-K and all subsequent Form 10-Qs fairly describe, in all material respects, the general nature of the business and principal properties of the Company and its Subsidiaries. This Agreement, the Company's most recent Form 10-K and all subsequent Form 10-Qs and the documents, certificates or other writings delivered to the Purchasers by or on behalf of the Company (other than financial projections, pro forma financial information and other forward looking information referenced in Section 5.3(b)) prior to the date hereof in connection with the transactions contemplated hereby and identified in Schedule 5.3 (this Agreement and such documents, certificates or other writings identified in Schedule 5.3 and such Form 10-K and Form 10-Qs (other than financial projections, pro forma financial information and other forward-looking information referenced in Section 5.3(b)) being referred to, collectively, as the "**Disclosure Documents**"), taken as a whole, do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made. Except as disclosed in the Disclosure Documents, since December 31, 2022, there has been no change in the financial condition, operations, business, properties or prospects of the Company or any Subsidiary except changes that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. There is no fact known to the Company that could reasonably be expected to have a Material Adverse Effect that has not been set forth herein or in the Disclosure Documents.

(b) All financial projections, pro forma financial information and other forward-looking information which has been delivered to each Purchaser by or on behalf of the Company in connection with the transactions contemplated by this Agreement and identified in Schedule 5.3 are based upon good faith assumptions and, in the case of financial projections and pro forma financial information, good faith estimates, in each case, believed to be reasonable at the time made, it being recognized that (i) such financial information as it relates to future events is subject to significant uncertainty and contingencies (many of which are beyond the control of the Company) and are therefore not to be viewed as fact, and (ii) actual results during the period or periods covered by such financial information may materially differ from the results set forth therein.

Section 5.4. Organization and Ownership of Shares of Subsidiaries; Affiliates.

(a) Schedule 5.4 contains (except as noted therein) complete and correct lists of (i) the Company's Subsidiaries, showing, as to each Subsidiary, the name thereof, the jurisdiction of its organization, the percentage of shares of each class of its capital stock or similar equity interests outstanding owned by the Company and each other Subsidiary and whether such Subsidiary is a Subsidiary Guarantor, (ii) the Company's Affiliates, other than Subsidiaries and (iii) the Company's directors and senior officers.

(b) All of the outstanding shares of capital stock or similar equity interests of each Subsidiary shown in Schedule 5.4 as being owned by the Company and its Subsidiaries have been validly issued, are fully paid and non-assessable and are owned by the Company or another Subsidiary free and clear of any Lien that is prohibited by this Agreement.

(c) Each Subsidiary is a corporation or other legal entity duly organized, validly existing and, where applicable, in good standing under the laws of its jurisdiction of organization, and is duly qualified as a foreign corporation or other legal entity and, where applicable, is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each such Subsidiary has the corporate or other power and authority to own or hold under lease the properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact.

(d) No Subsidiary is subject to any legal, regulatory, contractual or other restriction (other than the agreements listed on Schedule 5.4 and customary limitations imposed by corporate law or similar statutes) restricting the ability of such Subsidiary to pay dividends out of profits or make any other similar distributions of profits to the Company or any of its Subsidiaries that owns outstanding shares of capital stock or similar equity interests of such Subsidiary.

Section 5.5. Financial Statements; Material Liabilities. The Company has delivered to each Purchaser copies of the financial statements of the Company and its Subsidiaries listed on Schedule 5.5. All of such financial statements (including in each case the related schedules and notes) fairly present in all material respects the consolidated financial position of the Company and its Subsidiaries as of the respective dates specified in such Schedule and the consolidated results of their operations and cash flows for the respective periods so specified and have been prepared in accordance with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto (subject, in the case of any interim financial statements, to normal year-end adjustments). The Company and its Subsidiaries do not have any Material liabilities that are not disclosed in the Disclosure Documents.

Section 5.6. Compliance with Laws, Other Instruments, Etc. The execution, delivery and performance by the Company of the Tranche A Notes outstanding as of the date of this Agreement did not (a) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Company or any Subsidiary under, (i) the corporate charter, by-laws or shareholders agreement of the Company or any Subsidiary or (ii) any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease or any other agreement or instrument to which the Company or any Subsidiary is bound or by which the Company or any Subsidiary or any of their respective properties may be bound or affected, (b) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any Subsidiary or (c) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Subsidiary, except where any of the foregoing (other than clause (a)(i) above), individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. The execution, delivery and performance by the Company of this Agreement and the Tranche B Notes will not (a) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Company or any Subsidiary under, (i) the corporate charter, by-laws or shareholders agreement of the Company or any Subsidiary or (ii) any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease or any other agreement or instrument to which the Company or any Subsidiary is bound or by which the Company or any Subsidiary or any of their respective properties may be bound or affected, (b) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any Subsidiary or (c) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Subsidiary, except where any of the foregoing (other than clause (a)(i) above), individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

Section 5.7. Governmental Authorizations, Etc. Except for (a) Form 8-K filings required to be made by the Company with the SEC or (b) filings required to be made by the Company with any state securities authority in order for the Company to comply with any applicable “blue sky” laws of such states, no consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority was required in connection with the execution, delivery or performance by the Company of the Tranche A Notes. Except for (a) Form 8-K filings required to be made by the Company with the SEC or (b) filings that may be required to be made by the Company with any state securities authority in order for the Company to comply with any applicable “blue sky” laws of such states, no consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority is required in connection with the execution, delivery or performance by the Company of this Agreement or the Tranche B Notes.

Section 5.8. Litigation; Observance of Agreements, Statutes and Orders.

(a) There are no actions, suits, investigations or proceedings pending or, to the best knowledge of the Company, threatened in writing against or affecting the Company or any Subsidiary or any property of the Company or any Subsidiary in any court or before any arbitrator of any kind or before or by any Governmental Authority that could, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) Neither the Company nor any Subsidiary is (i) in default under any agreement or instrument to which it is a party or by which it is bound, (ii) in violation of any order, judgment, decree or ruling of any court, any arbitrator of any kind or any Governmental Authority or (iii) in violation of any applicable law, ordinance, rule or regulation of any Governmental Authority (including Environmental Laws, the USA PATRIOT Act or any of the other laws and regulations that are referred to in Section 5.16), which default or violation could, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 5.9. Taxes. The Company and its Subsidiaries have filed all Tax returns that are required to have been filed in any jurisdiction, and have paid all Taxes shown to be due and payable on such returns and all other Taxes and assessments levied upon them or their properties, assets, income or franchises, to the extent such Taxes and assessments have become due and payable and before they have become delinquent, except for any Taxes and assessments (a) the amount of which, individually or in the aggregate, is not Material or (b) the amount, applicability or validity of which is currently being contested in good faith by appropriate proceedings and with respect to which the Company or a Subsidiary, as the case may be, has established adequate reserves in accordance with GAAP. The Company knows of no basis for any other Tax or assessment that could, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The charges, accruals and reserves on the books of the Company and its Subsidiaries in respect of U.S. federal, state or other Taxes for all fiscal periods are adequate. The U.S. federal income Tax liabilities of the Company and its Subsidiaries have been finally determined (whether by reason of completed audits or the statute of limitations having run) for all fiscal years up to and including the fiscal year ended December 31, 2018.

Section 5.10. Portfolio Assets. To the knowledge of the Company, the Company and its Subsidiaries have good and marketable title to all of their Investments, free and clear of all mortgages, pledges, liens, security interests, claims or encumbrances of any kind that are prohibited by this Agreement. To the knowledge of the Company, all of the applicable investment documents and agreements which constitute the Investments (the “**Investment Documents and Agreements**”) are in full force and effect, and the Company has no notice of any material claim of any sort that has been asserted by anyone adverse to the rights of the Company or its Subsidiaries under the Investment Documents and Agreements.

Section 5.11. Licenses, Permits, Etc.

(a) The Company and its Subsidiaries own or possess all licenses, permits, franchises, authorizations, patents, copyrights, proprietary software, service marks, trademarks and trade names, or rights thereto, that individually or in the aggregate are Material, without known conflict with the rights of others, except for any such conflicts that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

(b) To the best knowledge of the Company, no product or service of the Company or any of its Subsidiaries infringes in any material respect any license, permit, franchise, authorization, patent, copyright, proprietary software, service mark, trademark, trade name or other right owned by any other Person, except for any such infringements that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

(c) To the best knowledge of the Company, there is no Material violation by any Person of any right of the Company or any of its Subsidiaries with respect to any license, permit, franchise, authorization, patent, copyright, proprietary software, service mark, trademark, trade name or other right owned or used by the Company or any of its Subsidiaries.

Section 5.12. Employee Matters; Certain ERISA Matters.

(a) The Company has no employees or employee benefit plans.

(b) To the knowledge of the Company, no portion of the underlying assets of the Company or its Subsidiaries constitute, and the Company will take commercially reasonable steps to avoid having any portion of the underlying assets of the Company and its Subsidiaries constitute at any time, “plan assets” of any “benefit plan investor” within the meaning of the Plan Asset Regulation or otherwise. To the knowledge of the Company, neither the execution, delivery or performance of the transactions contemplated under this Agreement, including the issuance and sale of the Notes hereunder, will give rise to a non-exempt prohibited transaction under Section 406(a) of ERISA or Section 4975(c)(1)(A)-(D) of the Code.

Section 5.13. Private Offering by the Company. Neither the Company nor any of its affiliates (as defined in Rule 501(b) of Regulation D under the Securities Act) has, directly or through any agent, sold, offered for sale, solicited offers to buy or otherwise negotiated in respect of, any security (as defined in the Securities Act) that is or will be integrated with the sale of the Notes in a manner that would require registration of the Notes under the Securities Act. None of the Company or any of its affiliates (as defined in Rule 501(b) of Regulation D) or any other person acting on its or their behalf has solicited offers for, or offered or sold, the Notes by means of any form of general solicitation or general advertising within the meaning of Rule 502(c) of Regulation D under the Securities Act or in any manner involving a public offering within the meaning of Section 4(a)(2) of the Securities Act. Neither the Company nor anyone acting on its behalf has taken, or will take, any action that would subject the issuance or sale of the Notes to the registration requirements of Section 5 of the Securities Act or to the registration requirements of any Securities or blue sky laws of any applicable jurisdiction.

Section 5.14. Use of Proceeds; Margin Regulations. The Company applied the proceeds of the sale of the Tranche A Notes to repay existing Indebtedness, fund new Investments and for general corporate purposes. The Company will apply the proceeds of the sale of the Tranche B Notes hereunder to repay existing Indebtedness, fund new Investments and for general corporate purposes. No part of the proceeds from the sale of the Notes hereunder has been or will be used, directly or indirectly, for the purpose of buying or carrying any margin stock within the meaning of Regulation U of the Board of Governors of the Federal Reserve System (12 CFR 221), or for the purpose of buying or carrying or trading in any Securities under such circumstances as to involve the Company in a violation of Regulation X of said Board (12 CFR 224) or to involve any broker or dealer in a violation of Regulation T of said Board (12 CFR 220). Margin stock does not constitute part of the consolidated assets of the Company and its Subsidiaries and the Company does not have any present intention that margin stock will constitute part of such assets. As used in this Section, the terms “margin stock” and “purpose of buying or carrying” shall have the meanings assigned to them in said Regulation U.

Neither the Company nor any Subsidiary is in default and no waiver of default is currently in effect, in the payment of any principal or interest on any Indebtedness of the Company or such Subsidiary and no event or condition exists with respect to any Indebtedness of the Company or any Subsidiary that would permit (or that with notice or the lapse of time, or both, would permit) one or more Persons to cause such Indebtedness to become due and payable before its stated maturity or before its regularly scheduled dates of payment.

(b) Except as disclosed in Schedule 5.15, neither the Company nor any Subsidiary has agreed or consented to cause or permit any of its property, whether now owned or hereafter acquired, to be subject to a Lien that secures Indebtedness or to cause or permit in the future (upon the happening of a contingency or otherwise) any of its property, whether now owned or hereafter acquired, to be subject to a Lien that secures Indebtedness.

(c) Neither the Company nor any Subsidiary is a party to, or otherwise subject to any provision contained in, any instrument evidencing Indebtedness of the Company or such Subsidiary, any agreement relating thereto or any other agreement (including its charter or any other organizational document) which limits the amount of, or otherwise imposes restrictions on the incurring of, Indebtedness of the Company, except as disclosed in Schedule 5.15.

(i) constitutes or will constitute funds obtained on behalf of any Blocked Person or Canada Blocked Person or will otherwise be used by the Company or any Controlled Entity, directly or indirectly, (A) in connection with any investment in, or any transactions or dealings with, any Blocked Person or Canada Blocked Person, (B) for any purpose that would cause any Purchaser to be in violation of any U.S. Economic Sanctions Laws or any Canadian Economic Sanctions Laws or (C) otherwise in violation of any U.S. Economic Sanctions Laws or any Canadian Economic Sanctions Laws;

(ii) will be used, directly or indirectly, in violation of, or will be used for any purpose that will cause any Purchaser to be in violation of, any applicable Anti-Money Laundering Laws; or

(iii) will be used, directly or indirectly, for the purpose of making any improper payments, including bribes, to any Governmental Official or commercial counterparty in order to obtain, retain or direct business or obtain any improper advantage, in each case which would be in violation of, or cause any Purchaser to be in violation of, any applicable Anti-Corruption Laws.

(d) The Company has established procedures and controls which it reasonably believes are adequate (and otherwise comply with applicable law) to ensure that the Company and each Controlled Entity is and will continue to be in compliance with all applicable U.S. Economic Sanctions Laws, Canadian Economic Sanctions Laws, Anti-Money Laundering Laws and Anti-Corruption Laws.

(b) Neither the Company nor any Subsidiary has knowledge of any facts which would give rise to any claim, public or private, of violation of Environmental Laws or damage to the environment emanating from, occurring on or in any way related to real properties now or formerly owned, leased or operated by any of them or to other assets or their use, except, in each case, such as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(c) Neither the Company nor any Subsidiary has stored any Hazardous Materials on real properties now or formerly owned, leased or operated by any of them in a manner which is contrary to any Environmental Law that could, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(d) Neither the Company nor any Subsidiary has disposed of any Hazardous Materials in a manner which is contrary to any Environmental Law that could, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(e) All buildings on all real properties now owned, leased or operated by the Company or any Subsidiary are in compliance with applicable Environmental Laws, except where failure to comply would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(c) *Investment Policies.* The Company is in compliance with the Investment Policies, except to the extent that the failure to comply would not reasonably be expected to have a Material Adverse Effect.

SECTION 6. REPRESENTATIONS OF THE PURCHASERS.

Section 6.1. Purchase for Investment. Each Purchaser severally represents that it (a) has purchased and is purchasing the Notes for its own account or for one or more separate accounts maintained by such Purchaser or for the account of one or more pension or trust funds and not with a view to the distribution thereof, *provided* that the disposition of such Purchaser’s or their property shall at all times be within such Purchaser’s or their control and (b) is an Institutional Accredited Investor. Each Purchaser understands that the Notes have not been registered under the Securities Act and may be resold only if registered pursuant to the provisions of the Securities Act or if an exemption from registration is available, except under circumstances where neither such registration nor such an exemption is required by law, and that the Company is not required to register the Notes.

Section 6.2. Source of Funds. Each Purchaser severally represents and warrants, for so long as it holds Notes or any interest in such Notes, either that (i) it is not and is not acting on behalf of, or using assets of, an “employee benefit plan” (as defined in Section 3(3) of ERISA) that is subject to the fiduciary provisions of Title I of ERISA, any “plan” or “account” (as defined in Section 4975(e)(1) of the Code) that is subject to Section 4975 of the Code, an entity that is deemed to hold plan assets of any of the foregoing by virtue of such employee benefit plan’s, plan’s or account’s investment in the entity or a governmental, non-electing church or other plan that is subject to any U.S. federal, state, local or other law that is substantially similar to the foregoing provisions of ERISA or the Code (“**Similar Law**”) or (ii) its acquisition, transfer and holding of such Note or any interest in such Notes will not constitute or otherwise result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, or a violation of Similar Law.

provided however; that in no case shall access to such financial statements, other information and Officer's Certificates be conditioned upon any waiver or other agreement or consent (other than confidentiality provisions consistent with Section 20 of this Agreement); *provided further*, that in the case of any of clauses (b) or (c), the Company shall have given each holder of a Note prior written notice, which may be by e-mail or in accordance with Section 18, of such posting or filing in connection with each delivery, *provided further*; that upon request of any holder to receive paper copies of such forms, financial statements, other information and Officer's Certificates or to receive them by e-mail, the Company will promptly e-mail them or deliver such paper copies, as the case may be, to such holder, at the mailing address set forth in such holder's Purchaser Schedule or as communicated from time to time in a separate writing delivered to the Company.

SECTION 8. PAYMENT AND PREPAYMENT OF THE NOTES.

Section 8.1. Maturity. As provided therein, the entire unpaid principal balance of each Note shall be due and payable on the Maturity Date thereof.

Section 8.2. Optional Prepayments with Prepayment Settlement Amount. The Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, the Tranche A Notes, in an amount not less than 10% of the aggregate principal amount of the Notes then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid, together with all accrued but unpaid interest on the principal amount prepaid, and the Prepayment Settlement Amount, if any, determined for the prepayment date with respect to such principal amount. At such time as no Tranche A Notes remain outstanding, the Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, the Tranche B Notes, in an amount not less than 10% of the aggregate principal amount of the Notes then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid, together with all accrued but unpaid interest on the principal amount prepaid, and the Prepayment Settlement Amount, if any, determined for the prepayment date with respect to such principal amount. The Company will give each holder of Notes written notice of each optional prepayment under this Section 8.2 not less than 30 days and not more than 60 days prior to the date fixed for such prepayment unless the Company and the Required Holders agree to another time period pursuant to Section 17. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Notes to be prepaid on such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with Section 8.3), any accrued and unpaid interest to be paid on the prepayment date with respect to such principal amount being prepaid and shall be accompanied by a certificate of a Senior Financial Officer as to the estimated Prepayment Settlement Amount, if any, due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Any such notice of prepayment delivered in connection with a refinancing, the proceeds of which are to be used to make such repayment, may be made, if expressly so stated in such notice to be, contingent upon the consummation of such refinancing and may be revoked by the Company in the event that such refinancing shall not have occurred on or before the date fixed for repayment in such notice or on such earlier date upon which such refinancing transaction shall have terminated. Two (2) Business Days prior to such prepayment, the Company shall deliver to each holder of Notes a certificate of a Senior Financial Officer specifying the calculation of such Prepayment Settlement Amount as of the specified prepayment date.

Section 8.3. Allocation of Partial Prepayments. In the case of each partial prepayment of the Notes pursuant to Section 8.2, the principal amount of the Notes to be prepaid shall be allocated among all of the Notes of the tranche to be prepaid at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment. All partial prepayments pursuant to Section 8.8 shall be applied only to the Notes of the holders who have accepted the offer of prepayment and shall be allocated among all such Notes in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof and not theretofore called for prepayment.

Section 8.4. Maturity; Surrender, Etc. In the case of each prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment, together with any unpaid interest on such principal amount accrued to such date and the applicable Prepayment Settlement Amount, if any. From and after such date, unless the Company shall fail to prepay such principal amount when so due and payable, together with any interest and Prepayment Settlement Amount, if any, as aforesaid, interest on such prepaid principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

Section 8.5. Purchase of Notes. The Company will not and will not permit any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with this Agreement and the Notes or (b) pursuant to an offer to purchase made by the Company or an Affiliate pro rata to the holders of the Notes at the time outstanding upon the same terms and conditions. Any such offer shall provide each holder with sufficient information to enable it to make an informed decision with respect to such offer, and shall remain open for at least 10 Business Days. If the holders of more than 25% of the principal amount of either the Tranche A Notes or Tranche B Notes then outstanding accept such offer, the Company shall promptly notify the remaining holders of such tranche of Notes of such fact and the expiration date for the acceptance by holders of such tranche of Notes of such offer shall be extended by the number of days necessary to give each such remaining holder at least 10 Business Days from its receipt of such notice to accept such offer. The Company will promptly cancel all Notes acquired by it or any Affiliate pursuant to any payment, prepayment or purchase of Notes pursuant to this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

Section 8.6. Make-Whole Amount; Prepayment Settlement Amount.

(a) **“Prepayment Settlement Amount”** means an amount determined as follows:

<u>Prepaid or accelerated during the period</u>	<u>Prepayment Settlement Amount</u>
On or before August 8, 2027	Make-Whole Amount.
After August 8, 2027	Zero.

(b) The term **“Make-Whole Amount”** means, with respect to any Note, an amount equal to the excess (if any) of (a) the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note, over (b) the amount of such Called Principal; *provided* that the Make-Whole Amount may in no event be less than zero. For purposes of determining the Make-Whole Amount, the following terms have the following meanings:

“Called Principal” means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“Discounted Value” means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Notes is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“Reinvestment Yield” means, with respect to the Called Principal of any Note, the sum of (a) 0.50% plus (b) the yield to maturity implied by the “Ask Yield(s)” reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities (“Reported”) having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Remaining Average Life, then such implied yield to maturity will be determined by (i) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (ii) interpolating linearly between the “Ask Yields” Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then **“Reinvestment Yield”** means, with respect to the Called Principal of any Note, the sum of (x) 0.50% plus (y) the yield to maturity implied by the U.S. Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (1) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Remaining Average Life and (2) the U.S. Treasury constant maturity so reported with the term closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

“Remaining Average Life” means, with respect to any Called Principal, the number of years obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years, computed on the basis of a 360-day year comprised of twelve 30-day months and calculated to two decimal places, that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“Remaining Scheduled Payments” means, with respect to the Called Principal of any Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, provided that if such Settlement Date is not a date on which interest payments are due to be made under the Notes, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.2 or Section 12.1.

“**Settlement Date**” means, with respect to the Called Principal of any Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

Section 8.7. Payments Due on Non-Business Days. Anything in this Agreement or the Notes to the contrary notwithstanding, (x) any payment of interest on any Note shall be governed by Section 8.9 and (y) any payment of principal of or Prepayment Settlement Amount on any Note (including principal due on the Maturity Date of such Note) that is due on a date that is not a Business Day shall be made on the next succeeding Business Day, in each case, in accordance with the requirements of Section 8.11.

Section 8.8. Change in Control.

(a) *Notice of Change in Control.* The Company will, within fifteen (15) Business Days after any Responsible Officer has knowledge of the occurrence of any Change in Control, give written notice of such Change in Control to each holder of Notes, *provided* that the Company may, at its option, give such written notice of such Change in Control prior to the occurrence of such Change in Control. Such notice shall contain and constitute an offer to prepay Notes as described in subparagraph (b) of this Section 8.8 and shall be accompanied by the certificate described in subparagraph (e) of this Section 8.8.

(b) *Offer to Prepay Notes.* The offer to prepay Notes contemplated by subparagraph (a) of this Section 8.8 shall be an offer to prepay, in accordance with and subject to this Section 8.8, all, but not less than all, the Notes held by each holder (in this case only, “holder” in respect of any Note registered in the name of a nominee for a disclosed beneficial owner shall mean such beneficial owner) on a date specified in such offer (the “**Proposed Prepayment Date**”). Such date shall be not less than 10 days and not more than 60 days after the date of such offer (if the Proposed Prepayment Date shall not be specified in such offer, the Proposed Prepayment Date shall be the first Business Day after the 45th day after the date of such offer).

(c) *Acceptance/Rejection.* A holder of Notes may accept the offer to prepay made pursuant to this Section 8.8 by causing a notice of such acceptance to be delivered to the Company not later than 10 days after receipt by such holder of the most recent offer of prepayment. A failure by a holder of Notes to respond within such time to an offer to prepay made pursuant to this Section 8.8 shall be deemed to constitute rejection of such offer by such holder.

(d) *Prepayment.* Prepayment of the Notes to be prepaid pursuant to this Section 8.8 shall be at 100% of the principal amount of such Notes, together with unpaid interest on such Notes, accrued to, but excluding, the date of prepayment and the Prepayment Settlement Amount, if any, to the date of prepayment.

(e) *Officer’s Certificate.* Each offer to prepay the Notes pursuant to this Section 8.8 shall be accompanied by a certificate, executed by a Senior Financial Officer of the Company and dated the date of such offer, specifying: (i) the Proposed Prepayment Date; (ii) that such offer is made pursuant to this Section 8.8; (iii) the principal amount of each Note offered to be prepaid; (iv) the interest that would be due on each Note offered to be prepaid, accrued to, but excluding, the Proposed Prepayment Date; (v) that the conditions of this Section 8.8 have been fulfilled; and (vi) in reasonable detail, the nature and date or proposed date of the Change in Control.

Section 8.9. Interest. The Tranche A Notes shall bear interest at a floating rate, payable on each Interest Payment Date, equal to Term SOFR for such Interest Period (as defined below) plus the Tranche A Applicable Rate. The Tranche B Notes shall bear interest at a floating rate, payable on each Interest Payment Date, equal to Term SOFR for such Interest Period (as defined below) plus the Tranche B Applicable Rate. The date from which interest shall accrue on the Tranche A Notes shall be November 8, 2023, or the most recent Interest Payment Date to which interest has been paid or provided for. The date from which interest shall accrue on the Tranche B Notes shall be September 18, 2024, or the most recent Interest Payment Date to which interest has been paid or provided for. The “**Interest Payment Dates**” for the Notes shall be February 15, May 15, August 15 and November 15 of each year, commencing, with respect to the Tranche A Notes, February 15, 2024 and, with respect to the Tranche B Notes, November 15, 2024; *provided* that if such date is not a Business Day, then the Interest Payment Date shall be the immediately succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day. The initial interest period for the Tranche A Notes was the period from and including November 8, 2023, to, but excluding, the initial Interest Payment Date, the initial interest period for the Tranche B Notes will be the period from and including September 18, 2024, to, but excluding, the initial Interest Payment Date and the subsequent interest periods will be the periods from and including an Interest Payment Date to, but excluding, the next Interest Payment Date, the date of payment of a Prepayment Settlement Amount (as applicable) or the Maturity Date, as the case may be (each an “**Interest Period**”). Interest shall be payable to the holder in whose name the Note is registered at the close of business on the fifteenth (15th) calendar day prior to the applicable Interest Payment Date in accordance with the requirements of [Section 8.11](#).

Section 8.10. Benchmark Replacement.

(a) *Benchmark Replacement.* Notwithstanding anything to the contrary herein or in the Notes, upon the occurrence of a Benchmark Transition Event, the Purchasers may amend this Agreement to replace Term SOFR with a Benchmark Replacement. Any such amendment will become effective at 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the Noteholder Representative, on behalf of the Purchasers, has provided such proposed amendment to the Company without any further action or consent of the Company.

(b) *Benchmark Replacement Conforming Changes.* In connection with the implementation of a Benchmark Replacement, the Purchasers will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in the Notes, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any holder of the Notes.

(c) *Notices; Standards for Decisions and Determinations.* The Noteholder Representative, on behalf of the Purchasers, will promptly notify the Company of (i) any occurrence of a Benchmark Transition Event and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement and (iii) the effectiveness of any Benchmark Replacement Conforming Changes. Any determination, decision or election that may be made by the Noteholder Representative pursuant to this [Section 8.10](#) including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any holder of the Notes, except, in each case, as expressly required pursuant to this [Section 8.10](#).

Section 8.11. General Provisions Regarding Payments.

(a) All payments by the Company of principal, interest, fees and other obligations shall be made in U.S. dollars in same day funds, without recoupment, set-off, counterclaim or other defense, free of any restriction or condition, and delivered to Sub-Agent not later than 12:00 p.m. (New York City time) on the date due to Sub-Agent's account for the account of holders, pursuant to the account details provided by the Noteholder Representative to the Company from time to time. Funds received by Sub-Agent after that time on such due date may in the Noteholder Representative's discretion be deemed to have been paid by the Company on the next Business Day.

(b) The Sub-Agent shall promptly distribute to each holder at such address as such holder shall indicate in writing, such holder's applicable *pro rata* share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due thereto, including all fees payable with respect thereto, to the extent received by Sub-Agent. The Company shall not be responsible for, and shall be held harmless for any failure of, the Sub-Agent to comply with its obligations under this Section 8.11(b).

SECTION 9. AFFIRMATIVE COVENANTS.

The Company covenants that so long as any of the Notes are outstanding:

Section 9.1. Compliance with Laws. Without limiting Section 10.4, the Company will, and will cause each of its Subsidiaries to, comply with all laws, ordinances or governmental rules or regulations to which each of them is subject (including ERISA, Environmental Laws, the USA PATRIOT Act and the other laws and regulations that are referred to in Section 5.16) and will obtain and maintain in effect all licenses, certificates, permits, franchises and other governmental authorizations necessary to the ownership of their respective properties or to the conduct of their respective businesses, in each case to the extent necessary to ensure that non-compliance with such laws, ordinances or governmental rules or regulations or failures to obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.2. Insurance. The Company will, and will cause each of its Subsidiaries to, maintain, with financially sound and reputable insurers, insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as is customary in the case of entities of established reputations engaged in the same or a similar business and similarly situated.

Section 9.3. Maintenance of Properties. The Company will, and will cause each of its Subsidiaries to, maintain and keep, or cause to be maintained and kept, their respective properties in good repair, working order and condition (other than ordinary wear and tear), so that the business carried on in connection therewith may be properly conducted at all times, *provided* that this Section 9.3 shall not prevent the Company or any Subsidiary from discontinuing the operation and the maintenance of any of its properties if such discontinuance is desirable in the conduct of its business and the Company has concluded that such discontinuance would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.4. Payment of Taxes and Claims. The Company will, and will cause each of its Subsidiaries to, file all Tax returns required to be filed in any jurisdiction and to pay and discharge all Taxes shown to be due and payable on such returns and all other Taxes, assessments, governmental charges, or levies imposed on them or any of their properties, assets, income or franchises, to the extent the same have become due and payable and before they have become delinquent and all claims for which sums have become due and payable that have or might become a Lien on properties or assets of the Company or any Subsidiary, *provided* that neither the Company nor any Subsidiary need pay any such Tax, assessment, charge, levy or claim if (a) the amount, applicability or validity thereof is contested by the Company or such Subsidiary on a timely basis in good faith and in appropriate proceedings, and the Company or a Subsidiary has established adequate reserves therefor in accordance with GAAP on the books of the Company or such Subsidiary or (b) the nonpayment of all such Taxes, assessments, charges, levies and claims would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.5. Corporate Existence, Etc. Subject to Section 10.2, the Company will at all times preserve and keep its legal existence in full force and effect. Subject to Section 10.2, the Company will at all times preserve and keep in full force and effect the legal existence of each of its Subsidiaries (unless merged into the Company or a Wholly-Owned Subsidiary) and all rights and franchises of the Company and its Subsidiaries unless, in the good faith judgment of the Company, the termination of or failure to preserve and keep in full force and effect such legal existence, right or franchise would not, individually or in the aggregate, have a Material Adverse Effect.

Section 9.6. Books and Records. The Company will, and will cause each of its Subsidiaries to, maintain proper books of record and account in conformity with GAAP and in conformity in all material respects with all applicable requirements of any Governmental Authority having legal or regulatory jurisdiction over the Company or such Subsidiary, as the case may be. The Company will, and will cause each of its Subsidiaries to, keep books, records and accounts which, in reasonable detail, accurately reflect in all material respects all transactions and dispositions of assets. The Company and its Subsidiaries have devised a system of internal accounting controls sufficient to provide reasonable assurances that their respective books, records, and accounts accurately reflect all transactions and dispositions of assets and the Company will, and will cause each of its Subsidiaries to, continue to maintain such system.

Section 9.7. Subsidiary Guarantors.

(a) The Company will cause each of its Subsidiaries that guarantees or otherwise becomes liable at any time, whether as a borrower or an additional or co-borrower or otherwise, for or in respect of any Indebtedness under any Material Credit Facility for which the Company is a borrower or guarantor to concurrently therewith:

(i) enter into an agreement in form and substance satisfactory to the Required Holders providing for the guaranty by such Subsidiary, on a joint and several basis with all other such Subsidiaries, of (x) the prompt payment in full when due of all amounts payable by the Company pursuant to the Notes (whether for principal, interest, Prepayment Settlement Amount or otherwise) and this Agreement, including all indemnities, fees and expenses payable by the Company thereunder and (y) the prompt, full and faithful performance, observance and discharge by the Company of each and every covenant, agreement, undertaking and provision required pursuant to the Notes or this Agreement to be performed, observed or discharged by it (a “**Subsidiary Guaranty**”); and

(ii) deliver the following to each holder of a Note:

(A) an executed counterpart of such Subsidiary Guaranty;

(B) a certificate signed by an authorized responsible officer of such Subsidiary containing representations and warranties on behalf of such Subsidiary to the same effect, *mutatis mutandis*, as those contained in Sections 5.1, 5.2, 5.6 and 5.7 of this Agreement (but with respect to such Subsidiary and such Subsidiary Guaranty rather than the Company);

(C) all documents as may be reasonably requested by the Required Holders to evidence the due organization, continuing existence and, where applicable, good standing of such Subsidiary and the due authorization by all requisite action on the part of such Subsidiary of the execution and delivery of such Subsidiary Guaranty and the performance by such Subsidiary of its obligations thereunder; and

(D) an opinion of counsel reasonably satisfactory to the Required Holders covering such matters relating to such Subsidiary and such Subsidiary Guaranty as the Required Holders may reasonably request.

(b) At the election of the Company and by written notice to each holder of Notes, any Subsidiary Guarantor that has provided a Subsidiary Guaranty under subparagraph (a) of this Section 9.7 may be discharged from all of its obligations and liabilities under its Subsidiary Guaranty and shall be automatically released from its obligations thereunder without the need for the execution or delivery of any other document by the holders, *provided* that (i) if such Subsidiary Guarantor is a guarantor or is otherwise liable for or in respect of any Material Credit Facility, then such Subsidiary Guarantor has been released and discharged (or will be released and discharged concurrently with the release of such Subsidiary Guarantor under its Subsidiary Guaranty) under such Material Credit Facility, (ii) at the time of, and after giving effect to, such release and discharge, no Default or Event of Default shall be existing, (iii) no amount is then due and payable under such Subsidiary Guaranty, (iv) if in connection with such Subsidiary Guarantor being released and discharged under any Material Credit Facility, any fee or other form of consideration is given to any holder of Indebtedness under such Material Credit Facility for such release, the holders of the Notes shall receive equivalent consideration substantially concurrently therewith and (v) each holder shall have received a certificate of a Responsible Officer certifying as to the matters set forth in clauses (i) through (iv).

Section 9.8. Status of RIC and BDC. The Company shall at all times maintain its status as a RIC and as a “business development company” under the Investment Company Act.

Section 9.9. Investment Policies. The Company shall at all times be in compliance with its Investment Policies, except to the extent that the failure to so comply would not reasonably be expected to result in a Material Adverse Effect.

Section 9.10. Rating Confirmation. The Company covenants and agrees that, at its sole cost and expense, it shall cause to be maintained at all times a Rating for each of the Tranche A Notes and the Tranche B Notes from at least one NRSRO. At any time that the Rating maintained pursuant to the foregoing is not a public rating, the Company will provide to each holder of a Note (x) at least annually (on or before each anniversary of the date of the Closing) and (y) promptly upon any change in such Rating, an updated Private Rating Letter evidencing such Rating and an updated Private Rating Rationale Report with respect to such Rating. In addition to the foregoing information and any information specifically required to be included in any Rating or Private Rating Rationale Report (as set forth in the respective definitions thereof), if the SVO or any other Governmental Authority having jurisdiction over any holder of any Notes from time to time requires any additional information with respect to the Rating of the Notes, the Company shall use reasonable efforts to procure such information from an NRSRO.

Section 9.11. Priority of Obligations. The Company will ensure that its payment obligations under this Agreement and the Notes, and the payment obligations of any Subsidiary Guarantor under its Subsidiary Guaranty, will at all times rank at least *pari passu*, without preference or priority, with all other unsecured and unsubordinated Indebtedness of the Company and such Subsidiary Guarantor, as applicable.

Section 9.12. Most Favored Lender.

(a) If at any time a credit facility, loan agreement, note purchase agreement or other like financial instrument under which the Company or any Subsidiary may incur Unsecured Debt in excess of \$25,000,000 (an “**Unsecured Credit Facility**”), contains an MFL Financial Covenant or MFL Cure Right Provision that is more favorable to the lenders or note holders under such Unsecured Credit Facility than the financial covenants (including related definitions and defaults), contained in Section 10.6 (any such provision (including any necessary definition), a “**More Favorable Covenant**”), then the Company shall provide a Most Favored Lender Notice in respect of such More Favorable Covenant; *provided* that, the absence of an MFL Cure Right Provision in an Unsecured Credit Facility that has financial covenants that are the same as the financial covenants set forth in Section 10.6 (and have the same related definitions) would be more beneficial to the holders of Notes. Such More Favorable Covenant shall be deemed automatically incorporated by reference into Section 10 of this Agreement, *mutatis mutandis*, as if set forth in full herein, effective as of the date when such More Favorable Covenant shall have become effective under such Unsecured Credit Facility, unless waived in writing by the Required Holders within 15 days after each holder’s receipt of such notice of such More Favorable Covenant.

(b) Any More Favorable Covenant incorporated into this Agreement (herein referred to as an “**Incorporated Covenant**”) pursuant to this Section 9.12 (i) shall be deemed automatically amended herein to reflect any subsequent amendments made to such More Favorable Covenant under the applicable Unsecured Credit Facility; *provided* that, if a Default or an Event of Default then exists and the amendment of such More Favorable Covenant would make such covenant less restrictive on the Company, such Incorporated Covenant shall only be deemed automatically amended at such time, if it should occur, when such Default or Event of Default no longer exists and (ii) shall be deemed automatically deleted from this Agreement at such time as such More Favorable Covenant is deleted or otherwise removed from the applicable Unsecured Credit Facility or is no longer in effect under or pursuant to the applicable Unsecured Credit Facility or the applicable Unsecured Credit Facility ceases to be an Unsecured Credit Facility or shall be terminated and any covenant in place prior to inclusion of such More Favorable Covenant shall be automatically reincorporated into this Agreement; *provided* that, if a Default or an Event of Default then exists, such Incorporated Covenant shall only be deemed automatically deleted from this Agreement at such time, if it should occur, when such Default or Event of Default no longer exists; *provided further; however*, that if any fee or other consideration shall be given to the lenders under such Unsecured Credit Facility for such amendment or deletion, the equivalent of such fee or other consideration shall be given, pro rata, to the holders of the Notes.

(c) Additionally, notwithstanding the foregoing, no covenant, definition or default expressly set forth in this Agreement as of the date of this Agreement (or incorporated into this Agreement by an amendment or modification to this Agreement other than pursuant to this Section 9.12) shall be deemed to be amended or deleted in any manner to be less restrictive on the Company by virtue of the provisions of this Section 9.12.

SECTION 10. NEGATIVE COVENANTS.

The Company covenants that so long as any of the Notes are outstanding:

Section 10.1. Transactions with Affiliates. The Company will not, and will not permit any Subsidiary to, enter into directly or indirectly any transaction or group of related transactions (including the purchase, lease, sale or exchange of properties of any kind or the rendering of any service) with any Affiliate (other than the Company or another Subsidiary), except (a) in the ordinary course and pursuant to the reasonable requirements of the Company’s or such Subsidiary’s business and upon fair and reasonable terms no less favorable to the Company or such Subsidiary than would be obtainable in a comparable arm’s-length transaction with a Person not an Affiliate, or (b) a transaction that has been (i) approved by a majority of the independent directors of the Board of Directors of the Company and (ii) consented to by the Required Holders (such consent not to be unreasonably withheld or delayed), or (c) any co-investment with Affiliates of the Company that is permitted under any established SEC guidance, no-action letter or order or exemptive relief order.

Section 10.2. Merger, Consolidation, Etc. The Company will not, and will not permit any Subsidiary Guarantor to, consolidate with or merge with any other Person or convey, transfer or lease all or substantially all of its assets in a single transaction or series of transactions to any Person unless:

(a) in the case of any such transaction involving the Company,

(i) the successor formed by such consolidation or the survivor of such merger or the Person that acquires by conveyance, transfer or lease all or substantially all of the assets of the Company as an entirety, as the case may be, shall be a solvent corporation or limited liability company organized and existing under the laws of the United States or any state thereof (including the District of Columbia), and,

(ii) if the Company is not such corporation or limited liability company, (A) such corporation or limited liability company shall have executed and delivered to each holder of any Notes its assumption of the due and punctual performance and observance of each covenant and condition of this Agreement and the Notes and (B) such corporation or limited liability company shall have caused to be delivered to each holder of any Notes an opinion of nationally recognized independent counsel, or other independent counsel reasonably satisfactory to the Required Holders, to the effect that all agreements or instruments effecting such assumption are enforceable in accordance with their terms and comply with the terms hereof;

(b) in the case of any such transaction involving a Subsidiary Guarantor,

(i) the successor formed by such consolidation or the survivor of such merger or the Person that acquires by conveyance, transfer or lease all or substantially all of the assets of such Subsidiary Guarantor as an entirety, as the case may be, shall be (A) the Company, such Subsidiary Guarantor or another Subsidiary Guarantor; or (B) a solvent corporation or limited liability company (other than the Company or another Subsidiary Guarantor) that is organized and existing under the laws of the United States or any state thereof (including the District of Columbia) and,

(c) each Subsidiary Guarantor under any Subsidiary Guaranty that is outstanding at the time such transaction or each transaction in such a series of transactions occurs reaffirms its obligations under such Subsidiary Guaranty in writing at such time pursuant to documentation that is reasonably acceptable to the Required Holders; and

(d) immediately before and immediately after giving effect to such transaction or each transaction in any such series of transactions, no Default or Event of Default shall have occurred and be continuing.

No such conveyance, transfer or lease of substantially all of the assets of the Company or any Subsidiary Guarantor shall have the effect of releasing the Company or such Subsidiary Guarantor, as the case may be, or any successor corporation or limited liability company that shall theretofore have become such in the manner prescribed in this Section 10.2, from its liability under (x) this Agreement or the Notes (in the case of the Company) or (y) the Subsidiary Guaranty (in the case of any Subsidiary Guarantor), unless, in the case of the conveyance, transfer or lease of substantially all of the assets of a Subsidiary Guarantor, such Subsidiary Guarantor is released from its Subsidiary Guaranty in accordance with Section 9.7(b) in connection with or immediately following such conveyance, transfer or lease.

Section 10.3. Line of Business. The Company will not and will not permit any Subsidiary to engage in any business if, as a result, the general nature of the business in which the Company and its Subsidiaries, taken as a whole, would then be engaged would be substantially changed from the general nature of the business in which the Company and its Subsidiaries, taken as a whole, are engaged on the date of this Agreement as described in the Company's most recent Form 10-K and Form 10-Q.

Section 10.5. Liens. The Company will not, and will not permit any Subsidiary Guarantor to directly or indirectly create, incur, assume or permit to exist (upon the happening of a contingency or otherwise) any Lien on or with respect to any property or asset (including, without limitation, any document or instrument in respect of goods or accounts receivable) of the Company or any Subsidiary Guarantor, whether now owned or held or hereafter acquired, or any income or profits therefrom, or assign or otherwise convey any right to receive income or profits, except (a) Liens on Equity Interests in any SBIC Subsidiary created in favor of the SBA or its designee, (b) leases, licenses, subleases or sublicenses granted to others in the ordinary course of business which do not (i) interfere in any material respect with the business of the Company and its Subsidiaries or (ii) secure any Indebtedness. For the avoidance of doubt, this Section 10.5 shall not restrict the ability of the Company to transfer assets to wholly-owned, special purpose financing subsidiaries for purposes of such subsidiaries complying with their respective obligations under existing or future senior secured financings.

(d) *Minimum Shareholders' Equity.* The Company will not permit Shareholders' Equity at the last calendar day of any fiscal quarter of the Company to be less than \$543.6 million.

Section 10.7. Distributions, Repurchases and Redemptions. The Company will not declare or make any dividend payment or other distribution of assets, property, rights, obligations or securities on account of any equity interests in the Company or any Subsidiary or any payment on account of the purchase, redemption, retirement, acquisition, cancellation or termination of any such equity interest, if at such time (a) the Company is not (or, immediately after giving effect to such payment or distribution, would not be) in compliance with the financial covenants set forth in Section 10.6 or (b) a Default or any Event of Default exists or would result therefrom, *provided*, that notwithstanding the foregoing, the Company may declare or make the minimum cash component of any dividend payment or other distribution that would be required to maintain the status of the Company as a RIC.

An “**Event of Default**” shall exist if any of the following conditions or events shall occur and be continuing:

SECTION 12. REMEDIES ON DEFAULT, ETC.

Section 12.1. Acceleration.

(a) If an Event of Default with respect to the Company described in Section 11(g), (h) or (i) has occurred, all the Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, the Required Holders may at any time at its or their option, by notice or notices to the Company, declare all the Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in Section 11(a) or (b) has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes held by it or them to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon (including interest accrued thereon at the Default Rate) and (y) the Prepayment Settlement Amount, if any, determined in respect of such principal amount, shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of a Prepayment Settlement Amount by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

Section 12.2. Other Remedies. If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note or Subsidiary Guaranty, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

Section 12.3. Rescission of Declaration. At any time after any Notes have been declared due and payable pursuant to Section 12.1(b) or (c), the Required Holders, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of and Prepayment Settlement Amount, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all accrued and unpaid interest on such overdue principal and Prepayment Settlement Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate during the continuation of the Event of Default, (b) neither the Company nor any other Person shall have paid any amounts which have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

Section 12.4. No Waivers or Election of Remedies, Expenses, Etc. No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement, any Subsidiary Guaranty or any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including reasonable attorneys' fees, expenses and disbursements.

SECTION 13. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES

Section 13.1. Registration of Notes. The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, the principal amounts of the Notes held by such holder(s), each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. If any holder of one or more Notes is a nominee, then (a) the name and address of the beneficial owner of such Note or Notes shall also be registered in such register as an owner and holder thereof and (b) at any such beneficial owner's option, either such beneficial owner or its nominee may execute any amendment, waiver or consent pursuant to this Agreement. Prior to due presentation for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Note promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes. The Notes are intended to be in registered form under Sections 163(f), 165(j), 871(h)(2), 881(c)(2) and 4701 of the Code and Section 5f.103-1(c) of the U.S. Treasury Regulations promulgated under the Code (and any other relevant or successor provisions of the Code or such U.S. Treasury Regulations), and the parties hereto shall report consistently therewith for all tax purposes.

Section 13.2. Transfer and Exchange of Notes. Upon surrender of any Note to the Company at the address and to the attention of the designated officer (all as specified in subparagraph (iii) of Section 18), for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Note or part thereof), within 10 Business Days thereafter, the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Tranche A Note shall be payable to such Person as such holder may request and shall be substantially in the form of Schedule 1-A and each such new Tranche B Note shall be payable to such Person as such holder may request and shall be substantially in the form of Schedule 1-B. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, provided that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$100,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representations set forth in Section 6.2. If the transfer of the Note is not being made pursuant to either an effective registration statement under the Securities Act or an opinion of counsel, reasonably satisfactory in form and substance to the Company, that the Note may be sold and transferred without registration under the Securities Act, the transferring holder of the Note will, if reasonably requested by the Company, deliver to the Company a writing, signed by the transferee, that (a) makes the representations set forth in Section 6; and (b) includes a confirmation by such transferee that it is bound by the provisions of this Agreement and the Note.

Section 13.3. Replacement of Notes. Upon receipt by the Company at the address and to the attention of the designated officer (all as specified in subparagraph (iii) of Section 18) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be notice from the applicable Purchaser of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$50,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

within 10 Business Days thereafter, the Company at its own expense shall execute and deliver, in lieu thereof, a new Note, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

SECTION 14. PAYMENTS ON NOTES

Section 14.1. Place of Payment. Subject to Section 14.2, payments of principal, Prepayment Settlement Amount, if any, and interest becoming due and payable on the Notes shall be made in New York, New York or at such other place as the Company shall have designated by written notice to the holder of this Note. The Company (or its agent or sub-agent) may at any time, by written notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company, the principal office of the Company's agent or sub-agent in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

Section 14.2. Payment by Wire Transfer. So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, Prepayment Settlement Amount, if any, interest and all other amounts becoming due hereunder by the method and at the address specified for such purpose below such Purchaser's name in the Purchaser Schedule, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any holder that is the direct or indirect transferee of any Note purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 14.2.

Section 14.3. FATCA Information. By acceptance of any Note, the holder of such Note agrees that such holder will with reasonable promptness duly complete and deliver to the Company, or to such other Person as may be reasonably requested by the Company, from time to time (a) any forms, documents, or certifications as may be reasonably required for the Company to satisfy any information reporting or withholding tax obligations with respect to any payments under this Agreement, (b) in the case of any such holder that is a United States Person, such holder's United States tax identification number or other forms reasonably requested by the Company necessary to establish such holder's status as a United States Person under FATCA and as may otherwise be necessary for the Company to comply with its obligations under FATCA and (c) in the case of any such holder that is not a United States Person, such documentation prescribed by applicable law (including as prescribed by section 1471(b)(3)(C)(i) of the Code) and such additional documentation as may be necessary for the Company to comply with its obligations under FATCA and to determine that such holder has complied with such holder's obligations under FATCA or to determine the amount (if any) to deduct and withhold from any such payment made to such holder. Nothing in this Section 14.3 shall require any holder to provide information that is confidential or proprietary to such holder unless the Company is required to obtain such information under FATCA and, in such event, the Company shall treat any such information it receives as confidential.

SECTION 15. EXPENSES, ETC.

Section 15.1. Transaction Expenses. Whether or not the transactions contemplated hereby are consummated, the Company will pay all reasonable and documented costs and expenses (including reasonable and documented attorneys' fees of a special counsel and, if reasonably required by the Required Holders, local or other counsel) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement, any Subsidiary Guaranty or the Notes (whether or not such amendment, waiver or consent becomes effective), including: (a) the reasonable costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement, any Subsidiary Guaranty or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement, any Subsidiary Guaranty or the Notes, or by reason of being a holder of any Note, (b) the reasonable costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes and any Subsidiary Guaranty, (c) the costs and expenses incurred with the initial filing, if any, of this Agreement and all related documents and financial information with the SVO (*provided*, that such costs and expenses under this clause (c) shall not exceed \$5,000) and (d) the costs and expenses incurred in connection with obtaining background checks on the Company and the Investment Advisor, their respective related entities and their respective key professionals prior to Closing (*provided*, that such costs and expenses under this clause (d) shall not exceed \$8,000).

The Company will pay, and will save each Purchaser and each other holder of a Note harmless from, (i) all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes), (ii) any and all wire transfer fees that any bank or other financial institution deducts from any payment under such Note to such holder or otherwise charges to a holder of a Note with respect to a payment under such Note and (iii) any judgment, liability, claim, order, decree, fine, penalty, cost, fee, expense (including reasonable attorneys' fees and expenses) or obligation resulting from the consummation of the transactions contemplated hereby, including the use of the proceeds of the Notes by the Company, unless caused by the gross negligence, fraud or willful misconduct of a Purchaser or other holder of a Note.

Section 15.2. Certain Taxes. The Company agrees to pay all stamp, documentary or similar Taxes or fees which may be payable in respect of the execution and delivery or the enforcement of this Agreement or any Subsidiary Guaranty or the execution and delivery (but not the transfer) or the enforcement of any of the Notes in the United States or any other jurisdiction where the Company or any Subsidiary Guarantor has assets or of any amendment of, or waiver or consent under or with respect to, this Agreement or any Subsidiary Guaranty or of any of the Notes, and to pay any value added Tax due and payable in respect of reimbursement of costs and expenses by the Company pursuant to this Section 15, and will save each holder of a Note to the extent permitted by applicable law harmless against any loss or liability resulting from nonpayment or delay in payment of any such Tax or fee required to be paid by the Company hereunder.

Section 15.3. Survival. The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement, any Subsidiary Guaranty or the Notes, and the termination of this Agreement.

SECTION 16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company or a Purchaser pursuant to this Agreement shall be deemed representations and warranties of the Company or such Purchaser, as applicable, under this Agreement. Subject to the preceding sentence, this Agreement, the Notes and any Subsidiary Guaranties embody the entire agreement and understanding between each Purchaser and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

SECTION 17. AMENDMENT AND WAIVER

Section 17.1. Requirements. This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), only with the written consent of the Company and the Required Holders, except that:

(a) no amendment or waiver of any of Sections 1, 2, 3, 4, 5, 6 or 21 hereof, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing;

(b) no amendment or waiver may, without the written consent of each Purchaser and the holder of each Note at the time outstanding, (i) subject to Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of (x) interest on the Notes or (y) the Prepayment Settlement Amount, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any amendment or waiver, or (iii) amend any of Sections 8 (except as set forth in the second sentence of Section 8.2), 11(a), 11(b), 12, 17 or 20.

Section 17.2. Solicitation of Holders of Notes.

(a) *Solicitation.* The Company will provide each holder of a Note with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes or any Subsidiary Guaranty. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to this Section 17 or any Subsidiary Guaranty to each holder of a Note promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) *Payment.* The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of a Note as consideration for or as an inducement to the entering into by such holder of any waiver or amendment of any of the terms and provisions hereof or of any Subsidiary Guaranty or any Note unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder of a Note even if such holder did not consent to such waiver or amendment.

(c) *Consent in Contemplation of Transfer.* Any consent given pursuant to this Section 17 or any Subsidiary Guaranty by a holder of a Note that has transferred or has agreed to transfer its Note to (i) the Company, (ii) any Subsidiary or any other Affiliate or (iii) any other Person in connection with, or in anticipation of, such other Person acquiring, making a tender offer for or merging with the Company and/or any of its Affiliates, in each case in connection with such consent, shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

Section 17.3. Binding Effect, Etc. (c) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are no longer representative.

CION Investment Corporation Announces the Issuance of Additional \$100 Million Floating Rate Senior Unsecured Notes due 2027

Senior Unsecured Notes are Rated Investment Grade

NEW YORK, NY (September 23, 2024) – CION Investment Corporation (NYSE: CION) (“CION”) announced today that it closed an offering of \$100 million in aggregate principal amount of its floating rate Senior Unsecured Notes, Tranche B, due 2027 (the “Notes”). The Notes represent an add-on, second tranche of the 2027 Notes that were issued by CION in November 2023.

The Notes will bear interest at a floating rate equal to the three-month Secured Overnight Financing Rate (“SOFR”) plus a credit spread of 3.90% per year and subject to a 2.00% SOFR floor, which will be paid quarterly commencing on November 15, 2024. The Notes will mature on November 8, 2027 and may be redeemed in whole or in part at CION’s option at par plus a “make-whole” premium, if applicable. The Notes will be general, unsecured obligations and rank equal in right of payment with all of CION’s existing and future unsecured indebtedness. The Notes are rated investment grade.

CION expects to use the net proceeds of this offering to primarily repay debt under its senior secured financing arrangements, make investments in portfolio companies in accordance with its investment objectives, and for working capital and general corporate purposes. CION incurred certain customary costs and expenses in connection with issuing the Notes.

Edgar Matthews & Co. LLC acted as the sole placement agent for this offering.

The offering was conducted, and the Notes were issued, as a private placement under Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”), and the rules and regulations promulgated thereunder. As a result, the Notes have not been and will not be registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from such registration requirements. This announcement does not constitute an offer to sell or a solicitation of an offer to buy any of the Notes, nor shall there be any offer, solicitation or sale in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful.

Keith Franz, CFO of CION stated, “Increasing our unsecured debt mix remains a strategic priority for CION and we are pleased to announce the successful closure of an additional \$100 million of floating rate Senior Unsecured Notes. We believe our strong balance sheet is well-positioned for the current macroeconomic environment, enabling CION to remain flexible heading into the fourth quarter of 2024. We appreciate the continued support of our investors and look forward to further developing these relationships.”
