Keefe, Bruyette & Woods, Inc.
787 Seventh Avenue, Fourth Floor
New York, New York 10019

As Representative of the Underwriters named in Schedule A hereto

Ladies and Gentlemen:

CION Investment Corporation, a Maryland corporation (the “Company”), and CION Investment Management, LLC, a Delaware limited liability company (the “Adviser” and, together with the Company, the “CION Entities”), confirm their respective agreements with Keefe, Bruyette & Woods, Inc. (“KBW”) and each of the other Underwriters named in Schedule A hereto (collectively, the “Underwriters,” which term shall also include any underwriter substituted as hereinafter provided in Section 10 hereof), for whom KBW is acting as representative (in such capacity, the “Representative”), with respect to the issuance and sale by the Company of \$150,000,000 aggregate principal amount (the “Initial Securities”) of the Company’s 7.50% notes due 2029 (the “Notes”), and the purchase by the Underwriters, acting severally and not jointly, and with respect to the grant by the Company to the Underwriters of the option described in Section 2(b) hereof to purchase all or any part of \$22,500,000 aggregate principal amount of Notes (the “Option Securities”) to cover over-allotments, if any. The Initial Securities to be purchased by the Underwriters and all or any part of the Option Securities are hereinafter called, collectively, the “Securities.”

The Securities will be issued under an indenture, dated as of the Closing Time (the “Base Indenture”), as supplemented by the first supplemental indenture, dated as of the Closing Time (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Company and U.S. Bank National Association, as trustee (the “Trustee”). The Securities will be issued to Cede & Co. as nominee of The Depository Trust Company (“DTC”) pursuant to a blanket letter of representations (the “DTC Agreement”) between the Company and DTC. The Indenture has been qualified under the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”).

The Company understands that the Underwriters propose to make a public offering of the Securities as soon as the Representative deems advisable after this Agreement has been executed and delivered.

The Company has filed with the Securities and Exchange Commission (the “Commission”) a registration statement on Form N-2 (File No. 333-278658), including the base prospectus, dated June 14, 2024 (the “Base Prospectus”), covering the registration of the sale of the Securities under the Securities Act of 1933, as amended (the “1933 Act”), and the offer and sale thereof from time to time in accordance with Rule 415 of the 1933 Act Regulations (as defined below), which registration statement was declared effective by the Commission on June 18, 2024. The Company has also filed with the Commission a preliminary prospectus supplement, dated September 26, 2024, as such prospectus supplement may be amended (the “Preliminary Prospectus Supplement”), which contains the Base Prospectus (together with the Preliminary Prospectus Supplement, the “preliminary prospectus”). Promptly after execution and delivery of this Agreement, the Company will prepare and file a prospectus in accordance with the provisions of Rule 430B (“Rule 430B”) of the rules and regulations of the Commission under the 1933 Act (the “1933 Act Regulations”) and Rule 424 of the 1933 Act Regulations (“Rule 424”). The information included in such prospectus that was omitted from such registration statement at the time it became effective but that is deemed to be part of such registration statement at the time it became effective pursuant to Rule 430B is herein called the “Rule 430B Information.” Such registration statement, including the amendments thereto, the exhibits thereto, any schedules thereto and all documents incorporated by reference therein, at the time it became effective, and including the Rule 430B Information, is herein called the “Registration Statement.” Any registration statement filed pursuant to Rule 462(b) of the 1933 Act Regulations is herein called the “Rule 462(b) Registration Statement” and, after such filing, the term “Registration Statement” shall include the Rule 462(b) Registration Statement. The final prospectus, in the form filed by the Company with the Commission pursuant to Rule 424 on or before the second business day after the date hereof (or such earlier time as may be required under the 1933 Act), which will include the Base Prospectus together with a final prospectus supplement, is herein called the “Prospectus.” All references in this Agreement to amendments or supplements to the Registration Statement or the Prospectus, including those made pursuant to Rule 424(b) under the 1933 Act or such other rule under the 1933 Act as may be applicable to the Company, shall be deemed to mean and include, without limitation the filing of any document under the Securities Exchange Act of 1934, as amended (the “1934 Act”), which is or is deemed to be incorporated by reference in or otherwise to be a part of or included in the Registration Statement or the Prospectus, as the case may be, as of any specified date. For purposes of this Agreement, all references to the Registration Statement, any preliminary prospectus, the Prospectus or any amendment or supplement to any of the foregoing shall be deemed to include the copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system or any successor system (“EDGAR”).

The Company has entered into (i) a second amended and restated investment advisory agreement, dated as of October 5, 2021 (the “Investment Advisory Agreement”), with the Adviser, which is registered as an investment adviser under the Investment Advisers Act of 1940, as amended, and the rules and regulations thereunder (collectively, the “Advisers Act”), and (ii) an administration agreement, dated as of April 1, 2018 (the “Administration Agreement”), with the Adviser. This Agreement, the Investment Advisory Agreement and the Administration Agreement are hereinafter referred to, collectively, as the “Company Agreements.”

As used in this Agreement:

“Applicable Time” means 5:05 P.M., New York City time, on September 26, 2024 or such other time as agreed by the Company and the Representative.

“General Disclosure Package” means the most recent preliminary prospectus supplement, which includes the Base Prospectus, that is distributed to investors prior to the Applicable Time and the information included on Annex A hereto, all considered together.

SECTION 1. Representations and Warranties.

(a) *Representations and Warranties relating to the Company.* The Company hereby represents and warrants to each Underwriter as of the date hereof, the Applicable Time, the Closing Time and each Option Closing Time (each as defined below), and agrees with each Underwriter, as follows:

(i) Registration Statement and Prospectuses. Each of the Registration Statement and any amendment thereto has become or been declared effective under the 1933 Act. No stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto has been issued under the 1933 Act, no order preventing or suspending the use of any preliminary prospectus or the Prospectus has been issued and no proceedings for any of those purposes or pursuant to Section 8A of the 1933 Act have been instituted or are pending or, to the knowledge of the CION Entities, contemplated. The Company has complied with each request (if any) from the Commission for additional information. Each of the Registration Statement and any post-effective amendment thereto, at the time it became effective, in each case including any documents incorporated by reference therein, complied in all material respects with the requirements of the 1933 Act, the 1933 Act Regulations and the Investment Company Act of 1940, as amended, and the rules and regulations thereunder (collectively, the “Investment Company Act”). Each preliminary prospectus, the Prospectus and any amendment or supplement thereto, at the time each was filed with the Commission, including any documents incorporated by reference therein, complied in all material respects with the requirements of the 1933 Act, the 1933 Act Regulations and the Investment Company Act. Each preliminary prospectus delivered to the Underwriters for use in connection with this offering and the Prospectus was or will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T. The Company shall furnish the Representative a copy of any free writing prospectus (as defined in Rule 405 under the 1933 Act Regulations (“Rule 405”)) it proposes to use or file in connection with the sale of the Securities contemplated by the Registration Statement, the General Disclosure Package and the Prospectus within a reasonable amount of time prior to such proposed use or filing, as the case may be, and shall not file or use any such free writing prospectus to which the Representative may reasonably object.

(ii) Accurate Disclosure. Neither the Registration Statement nor any amendment thereto, at its effective time, at the Applicable Time, at the Closing Time or at each Option Closing Time, contained, contains or will contain (or incorporated, incorporates or will incorporate by reference) an untrue statement of a material fact or omitted, omits or will omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. As of the Applicable Time, the Closing Time and each Option Closing Time, the General Disclosure Package did not or will not include (or incorporate by reference) an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Neither the Prospectus nor any amendment or supplement thereto (including any prospectus wrapper), as of its issue date, at the time of any filing with the Commission or at the Closing Time and each Option Closing Time, included, includes or will include (or incorporated, incorporates or will incorporate) an untrue statement of a material fact or omitted, omits or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

The representations and warranties in this subsection shall not apply to statements in or omissions from the Registration Statement (or any amendment thereto), the General Disclosure Package or the Prospectus (or any amendment or supplement thereto) made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representative expressly for use therein. For purposes of this Agreement, the only information so furnished shall be (i) the concession amounts appearing in the second paragraph under the heading “Underwriting—Commissions and Discounts,” (ii) the information in the first two paragraphs under the heading “Underwriting—Price Stabilization, Short Positions” and (iii) the information in “Underwriting—Principal Business Addresses”, in each case, in the Prospectus (collectively, the “Underwriter Information”).

(iii) Due Organization; Subsidiaries. The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Maryland, with requisite power and authority to own or lease its properties and conduct its business as described in the Registration Statement, the General Disclosure Package and the Prospectus. The only subsidiaries, direct or indirect, of the Company that are a “Significant Subsidiary” as defined under Rule 1-02(w) of Regulation S-X are 34th Street Funding, LLC and Murray Hill Funding II, LLC (each, a “Subsidiary”). Each Subsidiary has been duly organized and is validly existing as a limited liability company in good standing under the laws of the jurisdiction of its organization with requisite power and authority to own or lease its properties and conduct its business as described in the Registration Statement, the General Disclosure Package and the Prospectus. The Company and each Subsidiary are duly qualified to transact business in all jurisdictions in which the conduct of their business requires such qualification except where the failure to be so qualified would not (i) have, individually or in the aggregate, a material adverse effect on the earnings, business, management, properties, assets, rights, operations, condition (financial or otherwise) or prospects of the Company and each of its consolidated subsidiaries taken as a whole, (ii) prevent the consummation of the transactions contemplated hereby (the occurrence of any such effect or any such prevention described in the foregoing clauses (i) and (ii) being referred to as a “Material Adverse Effect”) or (iii) materially impede the ability of the Company or each Subsidiary to perform their obligations under the Company Agreements to which they are party. The outstanding limited liability interests of each Subsidiary have been duly authorized and validly issued, are fully paid and non-assessable and are owned by the Company free and clear of all liens, encumbrances and equities and claims; and no options, warrants or other rights to purchase, agreements or other obligations to issue or other rights to convert any obligations into ownership interests in each Subsidiary are outstanding.

(iv) Capitalization. The authorized, issued and outstanding shares of capital stock of the Company are as set forth in the Registration Statement, the General Disclosure Package and the Prospectus in the column entitled “Actual” under the caption “Capitalization” (except for subsequent issuances, if any, pursuant to this Agreement). The outstanding shares of capital stock of the Company have been duly authorized and validly issued and are fully paid and nonassessable. Subsequent to the respective dates as of which information is given in the Registration Statement, the General Disclosure Package and the Prospectus, except as otherwise specifically stated therein or in this Agreement, the Company has not: (i) issued any securities; (ii) incurred any liability or obligation, direct or contingent, for borrowed money other than transactions in the ordinary course of business, that are not material to the Company and the Subsidiaries taken as a whole or that are of a nature that is not required to be disclosed in the Registration Statement, the General Disclosure Package or the Prospectus; or (iii) declared or paid any dividend or made any other distribution on or in respect to its capital stock.

(v) Free Writing Prospectuses. The Company shall furnish the Representative a copy of any free writing prospectus it proposes to use or file in connection with the sale of the Securities contemplated by the Registration Statement, the General Disclosure Package and the Prospectus within a reasonable amount of time prior to such proposed use or filing, as the case may be, and shall not file or use any such free writing prospectus to which the Representative may reasonably object.

(vi) Offering Materials. The Company has not, directly or indirectly, distributed and will not distribute any offering material in connection with the sale of the Securities other than the Registration Statement, the General Disclosure Package and the Prospectus and other materials, if any, permitted under the 1933 Act and consistent with Sections 3(a) and (c) hereof.

(vii) Financial Statements. The consolidated financial statements of the Company and its consolidated subsidiaries, together with related notes and schedules incorporated by reference in the Registration Statement, the General Disclosure Package and the Prospectus, comply in all material respects with the 1933 Act and the 1933 Rules and Regulations, as applicable, and present fairly the financial position and the results of operations and cash flows of the Company and the consolidated subsidiaries, at the indicated dates and for the indicated periods (except that the unaudited financial statements were or are subject to normal year-end adjustments which were not, or are not expected to be, material in amount to the Company). Such financial statements and related schedules have been prepared in accordance with U.S. generally accepted accounting principles (“GAAP”), consistently applied throughout the periods involved, except as disclosed therein, and all adjustments necessary for a fair presentation of results for such periods have been made (except, in each case, as may be permitted by the rules and regulations of the Commission). The summary consolidated financial and statistical data included in or incorporated by reference into the Registration Statement, the General Disclosure Package and the Prospectus present fairly the information shown therein and such data have been compiled on a basis consistent with the financial statements presented therein and the books and records of the Company. All disclosures contained in the Registration Statement, the General Disclosure Package and the Prospectus regarding “non-GAAP financial measures” (as such term is defined by the 1933 Rules and Regulations) comply with Regulation G of the 1934, and the rules and regulations of the Commission thereunder (the “1934 Act Regulations”), and Item 10 of Regulation S-K under the 1933 Act, to the extent applicable. The Company and the Subsidiaries do not have any material liabilities or obligations, direct or contingent (including any off-balance sheet obligations or any “variable interest entities” within the meaning of Financial Accounting Standards Board Interpretation No. 46), not disclosed in the Registration Statement, the General Disclosure Package and the Prospectus. There are no financial statements (historical or pro forma) that are required to be included in the Registration Statement, the General Disclosure Package and the Prospectus that are not included as required. The interactive data in eXtensible Business Reporting Language included in the Registration Statement fairly presents the information called for in all material respects and has been prepared in accordance with the Commission’s rules and guidelines applicable thereto.

(viii) Independent Accounting Firm. RSM US LLP, which has certified certain of the financial statements filed with the Commission as part of the Registration Statement, the General Disclosure Package and the Prospectus, is an independent registered public accounting firm with respect to the Company and its consolidated subsidiaries within the meaning of the 1933 Act and the applicable Rules and Regulations and the Public Company Accounting Oversight Board (United States) as required by the 1933 Act.

(ix) Sarbanes-Oxley. There is and has been no failure on the part of the Company to comply in all material respects with any provision of the Sarbanes-Oxley Act of 2002, as amended and the rules and regulations promulgated by the Commission and the New York Stock Exchange thereunder (collectively, the “Sarbanes-Oxley Act”). The Company has taken all necessary actions to ensure that it is in compliance with all provisions of the Sarbanes-Oxley Act that are in effect and with which the Company is required to comply (including Section 402 related to loans) and is actively taking steps to ensure that it will be in compliance with other provisions of the Sarbanes-Oxley Act not currently in effect or which will become applicable to the Company. There are no outstanding personal loans made, directly or indirectly, by the Company to any director or executive officer of the Company.

(x) Legal Proceedings. Except as disclosed in the Registration Statement, the General Disclosure Package and the Prospectus, there is no legal, governmental, administrative or regulatory investigation, action, suit, claim or proceeding pending or, to the knowledge of the CION Entities, threatened against the Company or the Subsidiaries, or to which any property of the Company or the Subsidiaries is, or to the knowledge of the CION Entities, would reasonably be expected to be, subject, before any court or regulatory or administrative agency or otherwise that, if determined adversely to the Company or the Subsidiaries would, individually or in the aggregate, have a Material Adverse Effect. There are no current or pending legal, governmental, administrative or regulatory investigations, actions, suits, claims or proceedings that are required under the 1933 Act or the Investment Company Act to be described in the Registration Statement, the General Disclosure Package or the Prospectus that are not so described in the Registration Statement, the General Disclosure Package and the Prospectus. There are no statutes, regulations or contracts or other documents that are required under the 1933 Act or the Investment Company Act to be filed as exhibits to the Registration Statement or described in the Registration Statement, the General Disclosure Package and the Prospectus that are not so filed as exhibits to the Registration Statement or described in the Registration Statement, the General Disclosure Package and the Prospectus.

(xi) Title to Property. The Company and the Subsidiaries have access to all properties and assets as are necessary to the conduct of its operations as presently conducted and as contemplated by the Registration Statement. The Company and its subsidiaries are not party to any leases and do not own any real property.

(xii) Taxes. The Company and its consolidated subsidiaries have filed all U.S. federal, state, local and foreign tax returns that have been required to be filed, and have paid all taxes indicated by such returns and all assessments received by them or any of them to the extent that such taxes have become due, except for such taxes, if any, as are being contested in good faith and as to which an adequate reserve or accrual has been established by the Company. All tax liabilities have been adequately provided for in the financial statements of the Company, and the CION Entities do not know of any actual or proposed additional material tax assessments.

(xiii) Certain Changes. Since the date of the most recent financial statements included in or incorporated by reference into the Registration Statement, the General Disclosure Package and the Prospectus, (i) there has not been any material adverse change or any development involving a prospective material adverse change in or affecting the earnings, business, management, properties, assets, rights, operations, condition (financial or otherwise), or prospects of the Company and the Subsidiaries taken as a whole, whether or not occurring in the ordinary course of business, (ii) there has not been any material transaction entered into or any material transaction that is probable of being entered into by the Company or the Subsidiaries, other than transactions in the ordinary course of business and changes and transactions described in the Registration Statement, the General Disclosure Package and the Prospectus, as each may be amended or supplemented, (iii) neither the Company nor either of the Subsidiaries has sustained any loss or interference with its business that is material to the Company and the Subsidiaries taken as a whole and that is either from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor disturbance or dispute or any action, order or decree of any court or arbitrator or governmental or regulatory authority, except in each case as otherwise disclosed in the Registration Statement, the General Disclosure Package and the Prospectus, and (iv) there has been no dividend or distribution of any kind declared, paid or made by the Company on any class of its capital stock, except in each case as otherwise disclosed in the Registration Statement, the General Disclosure Package and the Prospectus.

(xiv) Description of Securities. The Securities and the Indenture conform to all statements relating thereto contained in the Registration Statement, the General Disclosure Package and the Prospectus and such description conforms to the rights set forth in the instruments defining the same. The form of the Securities will conform to the listing requirements for the New York Stock Exchange (“NYSE”).

(xv) Registration Rights. There are no persons with registration rights or other similar rights to have any securities registered for sale pursuant to the Registration Statement or otherwise registered for sale or sold by the Company under the 1933 Act pursuant to this Agreement.

(xvi) No Conflicts. Neither the Company nor either of the Subsidiaries is or with the giving of notice or lapse of time or both, will be, (i) in violation of its certificate or articles of incorporation, charter, by-laws, certificate of formation, limited liability company agreement, partnership agreement or other organizational documents, as applicable, (ii) in violation of or in default under any agreement, lease, contract, indenture, mortgage, loan or credit agreement, note, lease or other instrument or obligation to which it is a party or by which it, or any of its properties, is bound (collectively, “Agreements and Instruments”) or (iii) in violation of any law, order, rule or regulation judgment, order, writ or decree applicable to the Company or any Subsidiary of any court or of any government, regulatory body or administrative agency or other governmental body having jurisdiction over the Company or any Subsidiary, or any of their properties or assets, except in the case of clauses (ii) and (iii), for such violations or defaults as would not, individually or in the aggregate, have a Material Adverse Effect. The execution, delivery and performance of this Agreement, the Indenture and the Securities and the consummation of the transactions herein contemplated and the fulfillment of the terms hereof and thereof do not and will not conflict with or result in (i) a breach of any of the terms or provisions of, or constitute a default or Repayment Event (as defined below) under, or result in the creation or imposition of any lien, charge or encumbrance upon any properties or assets of the Company or any of its subsidiaries pursuant to, the Agreements and Instruments, (ii) a breach of the charter, bylaws or other organizational documents of the Company or (iii) a breach of any law, order, rule or regulation, judgment, order, writ or decree applicable to the Company or any Subsidiary of any court or of any government, regulatory body or administrative agency or other governmental body having jurisdiction over the Company or any Subsidiary, or any of their properties or assets. As used herein, a “Repayment Event” means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder’s behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any of its subsidiaries.

(xvii) Authorization of Base Indenture. The Base Indenture has been duly authorized, and, at the Closing Time, will be duly executed and delivered by the Company and, when duly executed and delivered by the Trustee, will constitute a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except that the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting the rights and remedies of creditors or by general equitable principles and except as rights to indemnity and contribution hereunder and thereunder may be limited by general equitable principles or federal or state securities laws or public policy underlying such laws (collectively, the “Enforceability Exceptions”).

(xviii) Authorization of Supplemental Indenture. The Supplemental Indenture has been duly authorized and, at the Closing Time, will be duly executed and delivered by the Company and, when duly executed and delivered by the Trustee, will constitute a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except that the enforcement thereof may be limited by the Enforceability Exceptions.

(xix) Authorization of Securities. The Securities have been duly authorized and, when issued and delivered by the Company and authenticated by the Trustee pursuant to the Indenture, against payment of the purchase price set forth herein, will be valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except that the enforcement thereof may be limited by the Enforceability Exceptions.

(xx) Authorization of Certain Agreements; Enforceability. Each of the Company Agreements (other than this Agreement), has been duly authorized, executed and delivered by the Company. Each of the Company Agreements (other than this Agreement) is a valid and binding agreement of the Company, and each of the Company Agreements (other than this Agreement) is enforceable against the Company in accordance with its terms, except that the enforcement thereof may be limited by the Enforceability Exceptions.

(xxi) Authorization of Agreement. This Agreement has been duly authorized, executed and delivered by the Company.

(xxii) Regulatory Approvals. Each approval, consent, order, authorization, designation, declaration or filing by or with any regulatory, administrative or other governmental body necessary in connection with the execution and delivery by the Company of the Company Agreements, the Indenture, the DTC Agreement and the Securities and the consummation of the transactions herein and therein contemplated has been obtained or made and is in full force and effect (except the Current Reports on Form 8-K adding certain documents related to the offering of the Securities as exhibits to the Registration Statement).

(xxiii) Registration; Listing. The Notes, by the Closing Time, will be registered pursuant to Section 12(b) of the Exchange Act, and the Company has taken no action designed to, or likely to have the effect of, terminating the registration of the Notes under the Exchange Act, nor has the Company received any notification that the Commission or the Financial Industry Regulatory Authority, Inc. (“FINRA”) is contemplating terminating such registration or listing. The Notes, by the Closing Time, will have been approved for listing, subject to official notice of issuance, on the NYSE.

(xxiv) Governmental Licenses. Except as would not, individually or in the aggregate, have a Material Adverse Effect, the Company and the Subsidiaries (i) hold all licenses, registrations, certificates and permits from governmental authorities (collectively, “Governmental Licenses”) that are necessary to the conduct of their business, (ii) are in compliance with the terms and conditions of all Governmental Licenses, and all Governmental Licenses are valid and in full force and effect, and (iii) have not received any written or other notice of proceedings relating to the revocation or modification of any Governmental License.

(xxv) Intellectual Property. The Company and the Subsidiaries own or possess or can acquire on reasonable terms the right to use all patents, inventions, trademarks, trade names, service marks, logos, trade dress, designs, data, database rights, Internet domain names, rights of privacy, rights of publicity, copyrights, works of authorship, license rights, trade secrets, know-how and proprietary information (including unpatented and unpatentable proprietary or confidential information, inventions, systems or procedures) and other industrial property and intellectual property rights (collectively, “Intellectual Property”) necessary to conduct their business as presently conducted and currently contemplated to be conducted in the future, except as would not, individually or in the aggregate, have a Material Adverse Effect. To the Company’s knowledge, neither the Company nor the Subsidiaries, whether through their respective products and services or the conduct of their respective businesses, has infringed, misappropriated, conflicted with or otherwise violated, or is currently infringing, misappropriating, conflicting with or otherwise violating, and none of the Company or the Subsidiaries have received any communication or notice of infringement of, misappropriation of, conflict with or violation of, any Intellectual Property of any other person or entity which, individually or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would have a Material Adverse Effect. Neither the Company nor the Subsidiaries has received any communication or notice which, individually or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would have a Material Adverse Effect alleging that by conducting their business as set forth in the Registration Statement, the General Disclosure Package and the Prospectus, such parties would infringe, misappropriate, conflict with, or violate, any of the Intellectual Property of any other person or entity. The CION Entities know of no infringement, misappropriation or violation by others of Intellectual Property owned by or licensed to the Company or the Subsidiaries that would, individually or in the aggregate, have a Material Adverse Effect. SECTION 2. Sale and Delivery to Underwriters; Closing.

(a) *Securities.* On the basis of the representations and warranties herein contained and subject to the terms and conditions herein set forth, the Company agrees to sell to the Underwriters, severally and not jointly, that aggregate principal amount of Initial Securities set forth in Schedule A, and each Underwriter, severally and not jointly, agrees to purchase from the Company, at the purchase price set forth in Schedule A, that aggregate principal amount of Initial Securities set forth in Schedule A opposite the name of such Underwriter, plus any additional aggregate principal amount of Initial Securities which such Underwriter may become obligated to purchase pursuant to the provisions of Section 10 hereof, subject to such adjustments among the Underwriters as the Representative in its sole discretion shall make to eliminate any sales or purchases of fractional Securities, in each case at a purchase price of 97.00% of the aggregate principal amount (the "Purchase Price").

Any such time and date of delivery (an "Option Closing Time") shall be determined by the Representative, but shall not be earlier than two or later than seven full business days after the exercise of said option, unless otherwise agreed upon by the Company and the Representative, nor in any event prior to the Closing Time. (New York City time) at the above-mentioned offices, or at such other place as shall be agreed upon by the Representative and the Company, on each Option Closing Time.

Payment shall be made to the Company by wire transfer of immediately available funds to bank accounts designated by the Company against delivery to the Representative for the respective accounts of the Underwriters through the facilities of DTC for the respective accounts of the Underwriters of the Securities to be purchased by them. It is understood that each Underwriter has authorized the Representative, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Securities that it has agreed to purchase. KBW, individually and not as representative of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Securities to be purchased by any Underwriter whose funds have not been received by the Closing Time or the relevant Option Closing Time, as the case may be, but such payment shall not relieve such Underwriter from its obligations hereunder.

(d) *Denominations; Registration.* The Securities shall be transferred electronically at the Closing Time or the relevant Option Closing Time, as the case may be, and shall be in such denominations and registered in such names as the Representative may request in writing at least one full business day before the Closing Time or the relevant Option Closing Time, as the case may be. SECTION 3. Covenants of the Company. The Company covenants with each Underwriter as follows:

(a) *Compliance with Securities Regulations and Commission Requests*. The Company, subject to Section 3(c), will comply with the requirements of Rule 415 and Rule 430B, and will notify the Representative immediately, and confirm the notice in writing, (i) when any post-effective amendment to the Registration Statement shall become effective or any amendment or supplement to the Prospectus shall have been filed, (ii) of the receipt of any comments from the Commission, (iii) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or for additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or any post-effective amendment or of any order preventing or suspending the use of any preliminary prospectus, the Prospectus, or of the suspension of the qualification of the Securities for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes or of any examination pursuant to Section 8(d) or 8(e) of the 1933 Act concerning the Registration Statement and (v) if the Company becomes the subject of a proceeding under Section 8A of the 1933 Act in connection with the offering of the Securities. The Company will effect all filings required under the 1933 Act, including Rule 424 and/or Rule 497, in the manner and within the time period required thereby, and will take such steps as it deems necessary to ascertain promptly whether the filing was received for filing by the Commission and, in the event that it was not, it will promptly make such filing. The Company will make every reasonable effort to prevent the issuance of any stop order, prevention or suspension and, if any such order is issued, to obtain the lifting thereof at the earliest possible moment.

(b) *Filing of Amendments*. The Company will give the Representative notice of its intention to file or prepare any amendment to the Registration Statement (including any filing under Rule 462(b)) or any amendment, supplement or revision to any preliminary prospectus (including any prospectus included in the Registration Statement at the time it became effective) or to the Prospectus and will furnish the Representative with copies of any such documents within a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document to which the Representative or counsel for the Underwriters shall object. The Company has given the Underwriters notice of any filings made pursuant to the 1934 Act or the 1934 Rules and Regulations within 48 hours prior to the Applicable Time; the Company will give the Underwriters notice of its intention to make any such filing from the Applicable Time until the termination of the offering of the Securities, and will furnish the Underwriters with copies of any such documents a reasonable amount of time prior to such proposed filing, as the case may be, and will not file or use any such document to which the Representative or counsel for the Underwriters shall reasonably object.

(c) *Continued Compliance with Securities Laws*. The Company will comply with the 1933 Act, the 1933 Act Regulations, the 1934 Act and the 1934 Act Regulations so as to permit the completion of the distribution of the Securities as contemplated in this Agreement and the Registration Statement, the General Disclosure Package and the Prospectus. If any event shall occur or condition shall exist as a result of which it is necessary (or, if the Representative or counsel for the Underwriters shall notify the Company that, in their judgment, it is necessary) to (i) amend the Registration Statement in order that the Registration Statement will not include an untrue statement of material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, not misleading, (ii) amend or supplement the General Disclosure Package or the Prospectus in order that the General Disclosure Package and the Prospectus, as the case may be, will not include any untrue statements of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or (iii) amend the Registration Statement or amend or supplement the General Disclosure Package or the Prospectus in order to comply with the requirements of the 1933 Act, the 1933 Act Regulations, the 1934 Act or the 1934 Act Regulations, the Company will promptly notify the Representative of such event or condition and of its intention to file such amendment or supplement (or, if the Representative or counsel for the Underwriters shall have notified the Company as aforesaid, the Company will promptly notify the Representative of its intention to prepare such amendment or supplement) and will promptly prepare and file with the Commission, subject to Section 3(b), such amendment or supplement as may be necessary to correct such untrue statement or omission or to comply with such requirements, and, in the case of an amendment or post-effective amendment to the Registration Statement, the Company will use its best efforts to have such amendment declared or become effective as soon as practicable, and the Company will furnish to the Underwriters such number of copies of such amendment or supplement as the Underwriters may reasonably request. Prior to the termination of the offering of the Securities, the Company will give the Representative notice of its intention to file or prepare any amendment to the Registration Statement (including any filing under Rule 462(b)) or any amendment, supplement or revision to any preliminary prospectus (including any prospectus included in the Registration Statement at the time it became effective) or to the General Disclosure Package or the Prospectus and will furnish the Representative with copies of any such documents within a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document to which the Representative or counsel for the Underwriters shall object. The Company has given the Underwriters notice of any filings made pursuant to the 1934 Act or the 1934 Act Regulations within 48 hours prior to the Applicable Time; the Company will give the Underwriters notice of its intention to make any such filing from the Applicable Time until the termination of the offering of the Securities, and will furnish the Underwriters with copies of any such documents a reasonable amount of time prior to such proposed filing, as the case may be, and will not file or use any such document to which the Representative or counsel for the Underwriters shall reasonably object.

(d) *Delivery of Registration Statements.* Upon request, the Company will deliver to the Representative and counsel for the Underwriters, without charge, signed copies of the Registration Statement, as originally filed and each amendment thereto (including exhibits filed therewith) and signed copies of all consents and certificates of experts, and will also deliver to the Representative, without charge, a conformed copy of the Registration Statement, as originally filed and each amendment thereto (without exhibits) for each of the Underwriters. The copies of the Registration Statement and each amendment thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(e) *Delivery of Prospectuses.* The Company has delivered to each Underwriter, without charge, as many copies of each preliminary prospectus as such Underwriter reasonably requested, and the Company hereby consents to the use of such copies for purposes permitted by the 1933 Act. The Company will furnish to each Underwriter, without charge, such number of copies of the Prospectus (as amended or supplemented) as such Underwriter may reasonably request. The Prospectus and any amendments or supplements thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(f) *Blue Sky Qualifications.* The Company will use its commercially reasonable best efforts, in cooperation with the Underwriters, to qualify the Securities for offering and sale under the applicable securities laws of such states and other jurisdictions (domestic or foreign) as the Representative may designate and to maintain such qualifications in effect so long as required to complete the distribution of the Securities; provided, however, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject.

(g) *Rule 158.* The Company will timely file such reports pursuant to the 1934 Act as are necessary in order to make generally available to its securityholders as soon as practicable an earnings statement for the purposes of, and to provide to the Underwriters the benefits contemplated by, the last paragraph of Section 11(a) of the 1933 Act.

(h) *DTC Clearance.* The Company will use its commercially reasonable best efforts to cause the Securities to continue to be eligible for clearance through DTC.

(i) *Clear Market.* For a period of 30 days after the date of the Prospectus, the Company will not, without the prior written consent of the Representatives, (i) directly or indirectly, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase or otherwise transfer or dispose of any debt securities issued or guaranteed by the Company or any securities convertible into or exercisable or exchangeable for debt securities issued or guaranteed by the Company or file any registration statement under the 1933 Act with respect to any of the foregoing or (ii) enter into any swap or any other agreement or any transaction that transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of debt securities issued or guaranteed by the Company or any such other securities, without the prior written consent of the Representative on behalf of the Underwriters, other than the Securities to be sold hereunder; provided, however, this provision shall not restrict the Company's ability to amend the UBS Facility (as defined in the preliminary prospectus).

(j) *Reporting Requirements.* The Company, during the period when a Prospectus relating to the Securities is required to be delivered under the 1933 Act, will file all documents required to be filed with the Commission pursuant to the 1934 Act within the time periods required by the 1934 Act and 1934 Act Regulations.

(k) *Maintain Status as a Business Development Company.* The Company will use its commercially reasonable best efforts to maintain its status as a "business development company" under the Investment Company Act; provided, however, the Company may change the nature of its business so as to cease to be, or to withdraw its election as, a business development company with the approval of the board of directors and a vote of stockholders as required by Section 58 of the Investment Company Act or any successor provision.

(l) *Qualification as a Regulated Investment Company.* The Company will use its commercially reasonable best efforts to qualify for and elect to be treated as a “regulated investment company” under Subchapter M of the Code for its taxable year ending December 31, 2024, and to maintain such qualification and election in effect for each full fiscal year during which it is a business development company under the Investment Company Act; provided however, that at the discretion of the Company’s board of directors, it may elect not to be so treated.

(m) *Listing.* The Company will use its reasonable best efforts to effect within 30 days of the Closing Time and to maintain the listing of the Notes on the NYSE.

(n) *No Stabilization.* The Company will not take, directly or indirectly, any action designed to or that could reasonably be expected to cause or result in any stabilization or manipulation of the price of the Securities.

(o) *Use of Proceeds.* The Company will not directly or indirectly use the proceeds of the offering of the Securities hereunder, or lend, contribute or otherwise make available such proceeds to a subsidiary, joint venture partner or other person or entity (i) to fund or facilitate any activities of or business with any person that, at the time of such funding or facilitation, is the subject of target of Sanctions, (ii) to fund or facilitate any activities of or business in any Sanctioned Country or (iii) in any other manner that will result in a violation by any person (including any person participating in the transaction, whether as underwriter, advisor, investor or otherwise) of Sanctions.

(p) *Credit Rating.* The Company will use commercially reasonable efforts to maintain a credit rating on the Notes by a rating organization designated from time to time by the SEC as being nationally recognized whose status has been confirmed by the Securities Valuation Office of the National Association of Insurance Commissioners.

SECTION 4. Payment of Expenses.

(a) *Expenses of the Company.* The Company will pay or cause to be paid all expenses incident to the performance of its obligations under this Agreement, including (i) the preparation, printing and filing of the Registration Statement (including financial statements and exhibits) as originally filed and each amendment thereto, (ii) the preparation, printing and delivery to the Underwriters of copies of each preliminary prospectus, the Prospectus and any amendments or supplements thereto and any costs associated with electronic delivery of any of the foregoing by the Underwriters to investors, (iii) the preparation, issuance and delivery of the certificates or security entitlements for the Securities to the Underwriters, including any stock or other transfer taxes and any stamp or other duties payable upon the sale, issuance or delivery of the Securities to the Underwriters, (iv) the fees and disbursements of the Company’s counsel, accountants and other advisors, (v) the qualification of the Securities under securities laws in accordance with the provisions of Section 3(f) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection therewith and in connection with the preparation of any blue sky survey and any supplement thereto, (vi) the fees and expenses of the Trustee for the Securities, (vii) the costs and expenses of the Company relating to investor presentations on any “road show” undertaken in connection with the marketing of the Securities, including without limitation, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations, travel and lodging expenses of the representatives and officers of the Company and any such consultants, and 50% of the cost of aircraft and other transportation chartered in connection with the road show, (viii) the filing fees incident to, and up to \$10,000 of reasonable fees and disbursements of counsel to the Underwriters in connection with, the review by FINRA of the terms of the sale of the Securities, and (ix) the costs and expenses (including, without limitation, any damages or other amounts payable in connection with legal or contractual liability) associated with the reforming of any contracts for sale of the Securities made by the Underwriters caused by a breach of the representation contained in the third sentence of Section 1(a)(ii).

(b) *Termination of Agreement.* If this Agreement is terminated by the Representative in accordance with the provisions of Section 5, Section 9(a) (i) or (iii) or Section 10 hereof, the Company shall reimburse the Underwriters for all of their out-of-pocket expenses, including the reasonable fees and disbursements of counsel for the Underwriters.

SECTION 5. Conditions of Underwriters' Obligations. The obligations of the several Underwriters to purchase the Securities on the Closing Time and the Option Securities, if any, on the Option Closing Time are subject to the accuracy, as of the Applicable Time, the Closing Time or the Option Closing Time, as the case may be, of the representations and warranties of the CION Entities contained herein or in certificates of any officer of the CION Entities delivered pursuant to the provisions hereof, to the performance by the Company of its covenants and other obligations hereunder, and to the following further conditions:

(a) *Effectiveness of Registration Statement; Rule 430B Information; BDC Election.* The Registration Statement, including any Rule 462(b) Registration Statement, was declared effective by the Commission on June 18, 2024, and, at the Closing Time or the relevant Option Closing Time, as the case may be, no stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto has been issued under the 1933 Act, no order preventing or suspending the use of any preliminary prospectus or the Prospectus has been issued and no proceedings for any of those purposes or pursuant to Section 8A of the 1933 Act have been instituted or are pending or, to the Company's knowledge, contemplated; and the Company has complied with each request (if any) from the Commission for additional information. A prospectus containing the Rule 430B Information shall have been filed with the Commission in the manner and within the time frame required by Rule 424 or a post-effective amendment providing such information shall have been filed with the Commission, and become effective, in accordance with the requirements of Rule 430B. The BDC Election is effective and at the Closing Time or the Option Closing Time, as the case may be, no order suspending the effectiveness of the BDC Election shall have been issued or proceedings therefor initiated or threatened by the Commission.

(b) *Opinions of Counsel for the Company.* The Representative shall have received the favorable opinion and negative assurance letter, dated the Closing Time or the Option Closing Time, as the case may be, of Dechert LLP, counsel for the Company, and the favorable opinion, dated the Closing Time or the Option Closing Time, as the case may be, of Miles & Stockbridge P.C., Maryland counsel for the Company, each in form and substance satisfactory to counsel for the Underwriters.

(d) *Opinion of Counsel for the Underwriters.* The Representative shall have received the favorable opinion and negative assurance letter, dated the Closing Time or the Option Closing Time, as the case may be, of Kirkland & Ellis LLP, counsel for the Underwriters, in form and substance satisfactory to the Underwriters.

(e) *Officers' Certificate of the Company.* There shall not have been, since the date hereof or since the respective dates as of which information is given in the Registration Statement, the General Disclosure Package or the Prospectus, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and the Subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, and the Representative shall have received a certificate of a Co-Chief Executive Officer of the Company and of the Chief Financial Officer of the Company, dated the Closing Time or the Option Closing Time, as the case may be, to the effect that (i) there has been no such material adverse change, (ii) the representations and warranties of the Company in this Agreement are true and correct with the same force and effect as though expressly made at and as of the Closing Time, (iii) the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied at or prior to the Closing Time or the Option Closing Time, as the case may be, and (iv) no stop order suspending the effectiveness of the Registration Statement under the 1933 Act has been issued, no order preventing or suspending the use of any preliminary prospectus or the Prospectus has been issued and no proceedings for any of those purposes or pursuant to Section 8A of the 1933 Act have been instituted or are pending or, to their knowledge, contemplated.

(f) *Officers' Certificate of the Adviser.* There shall not have been, since the date hereof or since the respective dates as of which information is given in the Registration Statement, the General Disclosure Package or the Prospectus, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Adviser, whether or not arising in the ordinary course of business, and the Representative shall have received a certificate of the Chief Executive Officer of the Adviser and of the Chief Financial Officer of the Adviser, dated the Closing Time or the Option Closing Time, as the case may be, to the effect that (i) there has been no such material adverse change, (ii) the representations and warranties of the Adviser in this Agreement are true and correct with the same force and effect as though expressly made at and as of the Closing Time and (iii) the Adviser has complied with all agreements and satisfied all conditions on its part to be performed or satisfied at or prior to the Closing Time or the Option Closing Time, as the case may be.

(g) *Accountant's Comfort Letter.* At the time of the execution of this Agreement, the Representative shall have received from RSM US LLP a letter, dated such date, in form and substance satisfactory to the Representative, together with signed or reproduced copies of such letter for each of the other Underwriters containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in the Registration Statement, the General Disclosure Package and the Prospectus.

(h) *Bring-down Comfort Letter.* The Representative shall have received from RSM US LLP a letter, dated as of the Closing Time or the Option Closing Time, as the case may be, to the effect that they reaffirm the statements made in the letters furnished pursuant to subsection (g) of this Section, except that the specified date referred to shall be a date not more than two business days prior to the Closing Time or the Option Closing Time, as the case may be.

(i) *Indenture and Securities.* The Company and the Trustee shall have executed and delivered the Indenture and the Securities.

(j) *Listing* The Securities shall have approved for listing on the NYSE, subject to official notice of issuance.

(k) *Maintenance of Rating.* From the time of execution of this Agreement, until the Closing Time or the Option Closing Time, as the case may be, there shall not have been any decrease in or withdrawal of the rating of any securities of the Company or the Subsidiaries by any “nationally recognized statistical rating organization” (as defined in Section 3(a)(62) of the 1934 Act) or any notice given of any intended or potential decrease in or withdrawal of any such rating or of a possible change in any such rating that does not indicate the direction of the possible change.

(l) *Additional Documents.* Counsel for the Underwriters shall have been furnished with such documents and opinions as they may require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company in connection with the issuance and sale of the Securities as herein contemplated shall be satisfactory in form and substance to the Representative and counsel for the Underwriters.

(m) *Termination of Agreement.* If any condition specified in this Section shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by the Representative by notice to the Company at any time at or prior to Closing Time or the Option Closing Time, as the case may be, and such termination shall be without liability of any party to any other party except as provided in Section 4 and except that Sections 6, 7, 8, 14 and 15 shall survive any such termination and remain in full force and effect.

SECTION 6. Indemnification.

(a) *Indemnification of Underwriters by the CION Entities.* The CION Entities, jointly and severally, agree to indemnify and hold harmless each Underwriter, its directors, its officers, its affiliates (as such term is defined in Rule 405 under the 1933 Act (each, an “Affiliate”)), its selling agents and each person, if any, who controls any Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in or incorporated by reference into the Registration Statement (or any amendment thereto), including the Rule 430B Information, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact included (A) in or incorporated by reference into any preliminary prospectus, the General Disclosure Package or the Prospectus (or any amendment or supplement thereto), or (B) in any materials or information provided to investors by, or with the approval of, the Company in connection with the marketing of the offering of the Securities (“Marketing Materials”), including any roadshow or investor presentations made to investors by the Company (whether in person or electronically), or the omission or alleged omission in any preliminary prospectus, the Prospectus or in any Marketing Materials of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that (subject to Section 6(d) below) any such settlement is effected with the written consent of the Company;

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by the Underwriters), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above; provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in the Registration Statement (or any amendment thereto), including the Rule 430B Information, the General Disclosure Package or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with the Underwriter Information.

(b) *Indemnification of Company, Directors and Officers and the Adviser.* Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act and the Adviser against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), including the Rule 430B Information, the General Disclosure Package or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with the Underwriter Information.

(c) *Actions against Parties; Notification.* Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of the provisions of Sections 6(a), (b) or (c) hereof. In the case of parties indemnified pursuant to Sections 6(a) and (b) above, counsel to the indemnified parties shall be selected by the Representative, and, in the case of parties indemnified pursuant to Section 6(c) above, counsel to the indemnified parties shall be selected by the Company. An indemnifying party may participate at its own expense in the defense of any such action; provided, however, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. Notwithstanding the foregoing, the indemnifying party shall pay as incurred (or within 30 days of presentation) the fees and expenses of the counsel retained by the indemnified party in the event (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel, (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them or (iii) the indemnifying party shall have failed to assume the defense and employ counsel acceptable to the indemnified party within a reasonable period of time after notice of commencement of the action. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 6 or Section 7 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) *Settlement without Consent if Failure to Reimburse.* If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 6(a)(ii) effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

(e) The provisions of this Section 6 and Section 7 hereof shall not affect any agreements among the Company and the Adviser with respect to indemnification of each other or contribution among themselves.

SECTION 7. Contribution. If the indemnification provided for in Section 6 hereof is for any reason unavailable or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the CION Entities, on the one hand, and the Underwriters, on the other hand, from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the CION Entities, on the one hand, and of the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the CION Entities, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company, on the one hand, and the total underwriting discount received by the Underwriters, on the other hand, in each case as set forth on the cover of the Prospectus, bear to the aggregate initial public offering price of the Securities as set forth on the cover of the Prospectus.

The relative fault of the CION Entities, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the CION Entities or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The CION Entities and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 7 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the underwriting commissions received by such Underwriter in connection with the Securities underwritten by it and distributed to the public.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 7, each person, if any, who controls an Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act and each Underwriter's directors, officers, Affiliates and selling agents shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company or the Adviser shall have the same rights to contribution as the Company. The Underwriters' respective obligations to contribute pursuant to this Section 7 are several in proportion to the aggregate principal amount of Securities set forth opposite their respective names in Schedule A hereto and not joint.

SECTION 8. Representations, Warranties and Agreements to Survive. All representations, warranties and agreements contained in this Agreement or in certificates of officers of the CION Entities submitted pursuant hereto, shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of any Underwriter, its directors or officers, or its Affiliates or selling agents, any person controlling any Underwriter, its officers or directors or any person controlling the Company or any person controlling the Adviser and (ii) delivery of and payment for the Securities.

SECTION 9. Termination of Agreement.

(a) *Termination*. The Representative may terminate this Agreement, by notice to the CION Entities, at any time at or prior to the Closing Time or any Option Closing Time (if different from the Closing Time and then only as to Option Securities) (i) if there has been, in the judgment of the Representative, since the time of execution of this Agreement or since the respective dates as of which information is given in the Registration Statement, the General Disclosure Package or the Prospectus, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and the Subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, or (ii) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in national or international political, financial or economic conditions, in each case the effect of which is such as to make it, in the judgment of the Representative, impracticable or inadvisable to proceed with the completion of the offering or to enforce contracts for the sale of the Securities, or (iii) if trading in any securities of the Company has been suspended or materially limited by the Commission or the NYSE, or (iv) if trading generally on the NYSE or in the Nasdaq Global Market has been suspended or materially limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by order of the Commission, FINRA or any other governmental authority, or (v) a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States or with respect to Clearstream or Euroclear systems in Europe, or (vi) if a banking moratorium has been declared by either Federal or New York authorities.

(b) *Liabilities*. If this Agreement is terminated pursuant to this Section, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Sections 1, 6, 7, 8, 14 and 15 shall survive such termination and remain in full force and effect.

SECTION 10. Default by One or More of the Underwriters. If one or more of the Underwriters shall fail at the Closing Time or an Option Closing Time to purchase the Securities which it or they are obligated to purchase under this Agreement (the "Defaulted Securities"), the Representative shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representative shall not have completed such arrangements within such 24-hour period, then:

(i) if the aggregate principal amount of Defaulted Securities does not exceed 10% of the aggregate principal amount of Securities, each of the non-defaulting Underwriters shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters, or

(ii) if the aggregate principal amount of Defaulted Securities exceeds 10% of the aggregate principal amount of Securities, this Agreement or, with respect to any Option Closing Time which occurs after the Closing Time, the obligation of the Underwriters to purchase and of the Company to sell the Option Securities that were to have been purchased and sold on such Option Time shall terminate without liability on the part of any non-defaulting Underwriter.

No action taken pursuant to this Section shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement, either the (i) Representative or (ii) the Company shall have the right to postpone Closing Time or the relevant Option Closing Time for a period not exceeding seven days in order to effect any required changes in the Registration Statement, the General Disclosure Package or the Prospectus or in any other documents or arrangements. As used herein, the term "Underwriter" includes any person substituted for an Underwriter under this Section 10.
